WHAT THEY DO:

As part of the Littleton School District, Arapahoe High School is a comprehensive, college preparatory school that is committed to the goal of preparing 100% of Warriors for meaningful post-secondary opportunities. More than 93% of Arapahoe High School graduates continue their education at the college/university/trade school level. Arapahoe offers students many opportunities as 21st century learners. Arapahoe has an outstanding teaching faculty that values academic rigor and believes that all students can learn at a higher level.

“The best thing about Arapahoe High School lies within the overall community. We have incredible students who come from very supportive families. School spirit is alive and well at Arapahoe, and we are very proud to represent the Northern Arapaho Tribal Nation through our culture and mascot. Our teachers are amongst the best in the nation.”

Natalie Pramenko - principal
