Dear Community,

As we begin our fall sports season, I want to thank the community for your support of Emanuel County Schools' athletics. Last year I had the opportunity to see what excellent community support we receive in our system. We are blessed with parents, community members, and boosters who continue to lead and support our students as we continue a rich tradition of athletics in Emanuel County Schools.

Our athletic programs offer a variety of sports for our students. The value of athletics in our schools is significant and plays an essential role in teaching young men and women to conduct themselves with honesty and integrity, strive for excellence, persevere through adversity, make sacrifices, and compete with dignity and pride while developing a commitment to teamwork and serving our schools and community. Our athletic programs help lay the groundwork for our students to be successful student-athletes in the classroom, on the playing field, and beyond high school graduation.

We continue to expect our coaches, athletes, and spectators to show respect and sportsmanship when interacting with opposing teams, coaches, fans, and contest officials. We strive each day to carry out our commitment to put our student-athletes first and to "DO RIGHT"!

Dedicated to developing winning programs and growing student-athletes into productive and honorable young men and women, our coaches work tirelessly to expand their programs and invest in our students to build character and positive attitudes with our student-athletes. Our coaches challenge their players to push themselves beyond their perceived limits and embrace the philosophy of teamwork, which is essential to their success in athletics and, most importantly, life. They take their designation as "role models" very seriously. In doing so, our coaches will strive to be men and women who live above reproach. We want our student-athletes always to remember the positive influences that our coaches made on their young lives. Our coaches will work to focus on our F.A.M.I.L.Y. (Forget About Me; I Love You.) motto and put S.A.S. (Service Above Self).

I am proud to support our community as Superintendent of Emanuel County Schools and am excited to be a part of the rich and storied traditions of athletics in our school system.

Old and new faces on schedule for 2022 Bulldogs

by RON WEATHER-FORD

The ECI Bulldogs' 2022 football schedule will have

a couple new faces for this season. The schedule also includes some familiar teams that ECI hasn't faced

in a few years.

Before the regular season started on August 26 for the Bulldogs they hosted the class AA state champions, Fitzgerald, in a scrimmage game. The Bulldogs and Hurricanes were scheduled to scrimmage in 2021 but with a delayed school start date due to Covid in their area, Fitzgerald had to cancel the match-up.

When asked about this season and the strong schedule, head football coach Chris Kearson had this observation. "The 2022 ECI Bulldogs will be challenged early and often as the scrimmage and non-region schedule are as rough and tough as any I can re-

member. The good news is that we have experienced players in the backfield returning as well as on the offensive line. Depth on defense and offensive lines are a concern that always seems to be the case. Young players must provide that depth in order for the Dawgs to be successful."

With just 5 teams in region three this year, the Bulldogs will only have 4 region matchups in 2022.

Before region play begins on October 14, the Bulldogs will be tested facing 6 play-off teams to start the season.

The Bulldogs have an open week the first Friday night of the season, or normally called the Zero week. That will give them and their fans an opportunity to watch two of their opponents live when Metter and Swainsboro tangle in the battle of the Tigers.

In the past couple years, the Bulldogs have faced Metter the last game of the regular season. For 2022 ECI will host the Tigers the first game of the season. The Tigers advanced to the semi-finals in 2021 losing to eventual champion Brooks Co. The Bulldogs and Tigers are not in the same region or league this year, but that doesn't matter when these two long-time rivals meet.

There have been at least 2 occasions in the state play-offs that the brackets would put ECI and Lincoln County on track to face each other. Two of those occasions happened in 2007 when Lincoln lost to Wilcox Co. and again

in 2012 when they lost to Dooly before the Bulldogs played those two teams.

The Bulldogs will travel to Lincolnton on September 2 to face the Red Devils. While the Bulldogs and Devils are not that familiar, both coaches are, since Lee Chomskis was the Vidalia coach when ECI faced the Indians on several occasions.

Next on tap on September 9, the Bulldogs will travel to Dublin to face the Irish in the battle of the Wing T. Like ECI in 2020, the Irish had an atypical year in 2021 going 6-5 and losing in the first round of the state play-offs.

ECI will host Swainsboro the fourth game of the season at Rountree Stadium. Some see these two teams as rivals. But hard to call them rivals having played just 4 times in the last 20 years, the last being in 2017. The Tigers are coming off one of their better seasons losing in the semis in 2021 to eventual state champion, Fitzgerald. Both teams have won their games at their home stadium the last 4 matchups. With most of their team returning, the Tigers are looking to break that string.

After a two year absence, the Bulldogs will renew one of their true rivalries on September 23 when they travel to Wrightsville to take on Johnson Co. They are still in different regions this season, but these two teams will fight for the win as if it were for the region (Continued on page 5)

championship.

The Bulldogs will host another new face for the last non-region game on September 30. Jefferson Co. middle school and ECI middle school have faced each other several times in the past. This may be the first meeting against the varsity teams. The Warriors lost in the first round of the playoffs in 2021. Jeffco always fields a wide-open offense with speed and doubtfully this year will be any different.

Region three will have a new look for 2022. Gone are Bryan Co., Metter, and Screven Co. who are now in region 3, Class A-division 1. ECI is in region 3, Class A division 2 along with football playing schools Jenkins Co., Montgomery Co., Portal and McIntosh Co.

After six non-region games the Bulldogs finally open up region play on October 14 when they host Portal.

The Bulldog fans will get another dose of fresh coastal shrimp when they re-

turn back to Darien to face McIntosh Co. The Bucs will feature JaReese Campbell who moves from RB to QB and is being recruited by a few division I and division II schools. The Bulldogs spoiled the Bucs homecoming 17-6 last year.

Jenkins Co. will enter Rountree Stadium on October 28 to face the Bulldogs in another region matchup. ECI and the Eagles had a defensive battle in 2021 with ECI eeking by with a 20-12 win.

Montgomery Co. returns to region three after a 2-year absence and will host the Bulldogs the first Friday night in November for both team's last regular season game. The Eagles posted a 8-3 record in 2021 losing to state champion Brooks Co. in the first round of the playoffs.

The Bulldogs will have a combination of experienced returning players with 14 seniors along with some younger players who will need to contribute for a successful season.

GOOD LUCK THIS SEASON!

Bulldogs Back in Playoffs in 2021

by RON WEATHERFORD
After missing the state playoff for the first time in 17 years in 2020, the ECI Football team played their way back into the playoffs last season. After a disappointing 5-5 season in 2020, the Bulldogs posted a 9-3 season record in

2021 and the second round of the playoffs.

They began the 2021 season beating Savannah Christian at Rountree Stadium 28-21.

The Bulldog hosted another private school from Savannah on August 27. They had a disappointing loss to Savannah Country Day 22-20. Mistakes and penalties rose their head in the loss. But it was a mistake by the Hornets that was the difference in the score. SCD dropped the snap in a extra point try and scored the 2 points instead. The Bulldogs missed their 2 point try for a tie resulting in the 2 point loss.

The schedule didn't get any easier for the Bulldogs when they traveled to Vidalia the next Friday night. The Bulldogs jumped out to a 14-0 first half lead over the ninth ranked Indians. The Indians fought back to tie the game in the second half. The difference in the game came down to a successful 23 yard field goal by Samuel

McBride for a 17-14 win.

The Bulldogs began region play on September 17 hosting Screven Co. The Bulldogs led the Gamecocks 7-3 in a defensive first half. The Bulldogs running game got in gear in the second half pulling away for a 27-10 win.

ECI hosted Portal the next football Friday night, easily defeating the Panthers 30-7.

The Bulldogs took the long ride to Darien on October 1 to take on the Buccaneers from McIntosh Co. The Bulldogs led the Bucs 10-0 at the half on a DJ Jones touchdown and a 37 yard field goal by Oisin Matthews. The Bulldogs added one more score in the defensive battle to go 3-0 in region with a 17-6 win.

ECI traveled to Claxton 2 weeks later to take on the Tigers. It was a typical chippy game at the Grove. The Bulldog defense had another stellar game holding the Tigers to 48 yards of offense in the first half, defeating Claxton 28-0 to remain un-

defeated in region play.

Defensive games seemed to be the norm after the Bulldogs travel across the river to play their neighbors from Jenkins Co. Neither team was able to get their offense untracked. The first TD was not posted until 19 minutes into the game late in the second quarter when the Eagles took a 6-0 lead. The Bulldogs took a 7-6 lead into the second half. The Bulldogs pulled away in the second half to win 20-12 in the hard fought battle.

The Bulldogs hosted Bryan Co. the next Friday. The Indians have struggled in class AA and their struggles continue in Class A with ECI taking the game 69-13.

The last game of the regular season saw the Bulldogs traveling to their long time rivals in Metter for the region championship. ECI had no answer for the fourth ranked Tigers losing their first region game 38-0.

The Bulldogs hosted Terrell County in the first round of the state playoffs on November 13. Leading by just a point, 13-12 at the half, the Bulldogs put the hammer down scoring 35 unanswered points in the second half for a 48-12 win over the Greenwave.

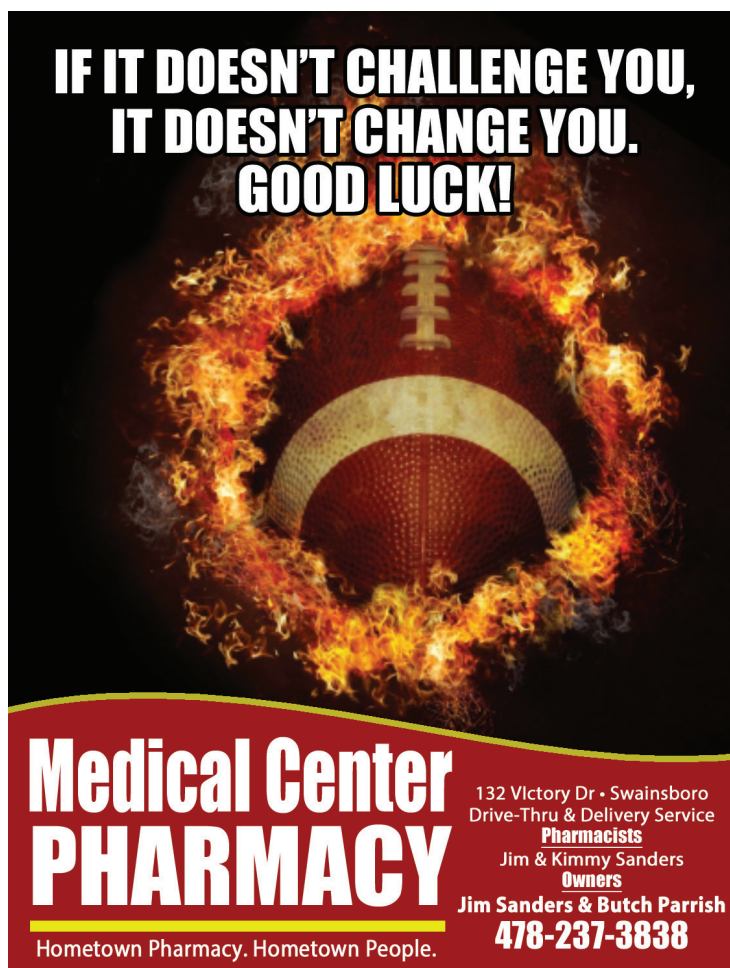

The Bulldogs made their second trip in recent years to Macon Co. in the second round. The Bulldogs trailed the third ranked Macon Co. team 14-10 at the half. But big plays haunted ECI the second half with the Bulldogs from Macon ending ECI's season with a 42-10 loss.

Middle School Bulldogs looking for a repeat

by RON WEATHERFORD
The 2021 c-team football squad posted an 8-0 undefeated regular and play-off season, winning their fourth Area Middle School Championship, dominating Toombs Co. 28-6.

Since 2009 coach Greg Kennedy and his Bulldog squad have played for the area championship 7 times, playing in the championship game the last 5 years. The Bulldogs won the championship 4 of those years taking the crown in 2009, 2012, 2019 and 2021. They were runner-up in 2017, 2018 and 2020.

Below is coach Kennedy's information concerning his returning players and those

younger players who will need to contribute for this year's team to be successful.

We are coming off an undefeated season where we won the middle school league championship. We lost a group of 8th graders that only lost 2 games in the past 3 seasons. They will be hard to replace but hopefully the guys on this year's team will rise to the occasion.

Offensively, Ab Marsh, Gage Johnson, and Aaron Matthews are returning starters. Chase Johnson and Brayden Rich played a lot of snaps on offense last year. The backfield will rely heavily on Chase Johnson, Ab Marsh, Ja'shon Branch, TJ Weaver, Sam Williams, and

Rashard Smith. Patron Mack, who played some tight end last season, will also compete in the backfield. The quarterback position will be played by Davis Johnson or Robert Reynolds. Both players are working hard to learn and compete at the quarterback position. Brayden Rich is returning at wide receiver and competing with many other guys for playing time.

The offensive line will have Gage Johnson and Aaron Matthews returning from last year. Matthews is making the move from guard to tight end where he will compete with Braylen Lanier. There are several players who are competing on the offensive line for playing

time. Some of these guys that will have to step up are Turner Bryant, Landon Frederick, Holden Bowen, Wendell Coleman, Jackson Smith, Randon Durden, Cesar Salinas, Hagan Brown, Ryver Tharpe, Terence Carlyle, and Aiden Cumbee.

Defensively, we have a few more returners from last year that will look to lead the defense. Ja'shon Branch, Patron Mack, Terence Carlyle, Rashard Smith, Ab Marsh, and Chase Johnson will return from last year's dominating defense. Although there is a good nucleus returning, there are still some key holes to fill. Aaron Matthews, Britt Brannen, Braylen Lanier, and Robert Reynolds will look to compete alongside Branch at linebacker. The defensive line, anchored by Mack and Carlyle will see Holden Bowen, Landon Frederick, Gage Johnson, Randon Durden, Wendell Coleman, and Hagan Brown compete

for playing time. Ab Marsh will make the move from corner to end and Chase Johnson will move from end to strong safety. Rashard Smith will return at corner which leaves positions in the secondary for someone to fill. Sam Williams, TJ Weaver, Davis Johnson, Brayden Rich, Deryon Stapleton, Mason Collins, and Lawson Frye will work to fill those holes.

As always, depth will be an issue so some inexperienced players will have to find a way to contribute. Summer workouts have been well attended and should help to build more depth. The attitude and effort have been very good this summer and I look for us to carry that into the season. We have a lot of holes to fill but do have some experienced guys returning. Our goal, as always, is to win our league championship. We are going to continue to work hard in building future ECI Bulldogs.

Best of luck!

Scenes from Bulldogs Middle School practice

A veteran Lady Dawgs softball team

by RON WEATHERFORD

The ECI softball team will begin the season as the most experienced squad to take the field for the Bulldogs.

The Lady Dawgs will return seven starters from a team that finished in the final four of the state playoffs. They ended the season ranked third in state, posting a 28-5 season record.

The Bulldogs placed 12 players on the all-region team in 2021. Ten of those players return for the 2022 season.

When asked about this season and his veteran team, coach Frank Wimberly stated, "If this group stays hungry and humble, they have a great chance to make history for our school and the county as a whole. If they choose to continue to grow, live above the standard while being one another's biggest fans, this team is going to be special."

The Bulldog infield will feature 3 all-state players, including region and class A player of the year, pitcher Charla Clifton. Clifton faced 574 batters in 2021, allowing just 85 to reach base ending the season with a .172 ERA, with 133 strikeouts.

Also on the infield is 2-time region defensive player of the year and all-state shortstop, Kelsey Harper. "The Vacuum" had a fielding percentage of .944 and batted .365 for the Bulldogs.

Behind the plate for the Bulldogs is all-region and all-state catcher Shayla Stephenson. Shayla was not credited for an error or passed ball in 2021, throw-

ing out 6 runners.

At first the Bulldogs will have all-region player Lily Robertson, who is looking for a breakout year for the Lady Dawgs this season.

At second base and pitcher you have all-region player Sullee Boddiford. Sullee will again add depth to the pitching. She faced 119 batters in 2021 allowing just 9 runs with an ERA of 1.78. The senior also had a .315 batting average last season.

At the hot corner at third will be sophomore Jayna Kearson who was all region as a freshman.

Roaming around in right field will be all-region player Kayanna Thompson.

The Bulldogs have a couple of positions to replace in the outfield. Gone are all-region players Semya Williams at center field and Macy Canady at left. Macy continues her softball career with the East Georgia Bobcats.

Coach Wimberly will be looking for several younger players to contribute to the team's success this season.

Seniors Kaylan Lamb and Ally Taylor battled injuries the last couple years but have had a strong summer and will add production to this veteran lineup.

Jarei Olgesby and Asia Gibbons will be looked upon for their added growth and production off the bench for ECI.

The Bulldogs are led again by head coach Frank Wimberly and assistant coach Mikel Clifton.

The Lady Dawgs will also be coached by assis-

tant varsity coach Bryanna Riner. Coach Riner will be head coach of the JV team. "Coach Riner brings a wealth of experience as a former college player and coach experience from travel ball to high school," commented Wimberly.

As usual the Lady Dawgs will be warming to defend their region crown playing in a few tournaments and facing higher classification teams to ready for region play.

They began the season playing in the Harlem tournament on August 5th, defeating Evans High School 9-2 and 2021 state class AA runner-up Vidalia 7-3.

They defeated another region champion the third game of this season, taking the game against Harlem on 9 August, 4-1.

Other tournaments on schedule this season are the Crisp County tournament, the Titan Classic in Winder, Ga., the Jeff Davis tournament in Hazlehurst and later in the season Grayson tournament at Grayson High School in October.

The Lady Dawgs, never shying away from competition, also have a few games with schools in the top classifications. They will face 7A schools Lowndes Co., East Coweta, and Lambert, 6A school South Effingham and 5A schools Flowery Branch and Winder-Barrow.

They will begin region play in Portal on August 30 against the Panthers and play the last region game on October 4 against Jenkins Co.
