

**2022
Readers'
CHOICE
AWARDS**

**WEBSTER
COUNTY**

**A special supplement to
THE MARSHFIELD MAIL**

OUR READERS HAVE SPOKEN

Readers of The Marshfield Mail voted in February and March for their very favorite representatives in 64 separate categories. While we provided the categories, the businesses were all written in by their fans.

We received a few hundred entries, and we tallied the selections. Many more outstanding businesses and professionals were named, and sometimes the top choice won running away, but often only a few votes separated the third-place vote-getter from the top two.

There are a lot of satisfied customers in the Marshfield area, and we're happy to showcase many of their favorites here.

THE BEST IN THE AREA, READY TO SERVE

The Marshfield Mail's annual Readers' Choice Awards celebrate the very best of Marshfield and the surrounding area. And this year, we are happy to recognize twice as many standout businesses, services and professionals with an expanded list of 64 categories.

Among the 2022 award-winners are some of our favorite companies, as before, but our readers also honor many individuals, like the top financial advisor, the top hairstylist and barber, the top fitness instructor and more.

Each year's installment of our Readers' Choice Awards drives home one key notion, which is that we have everything we need right here in Webster County. Our readers could not be more enthusiastic about the services they receive here, whether they

are from a bank teller, an auctioneer, a mechanic, a florist, or an insurance agent. And it is clear that there is plenty of delicious food to be found in our restaurants, plus lots of surprising finds and bargains in our retail outlets.

We hope that you will enjoy reading up on our voters' favorites in each of our categories, and we suggest that you hold on to this special section of The Mail as a helpful guide when you are looking for a business to meet your own needs as they arise.

There has never been a more important time to invest in our community by supporting local businesses. We encourage you to check out these outstanding businesses, services and professionals at your earliest chance.
