**ENHANCED WAKES ARE PROHIBITED ON  
RAINBOW, ROUND, COLUMBIA, LONG, STRATTON,  
AND SPENCER LAKES.**

**Ordinance Summary**

**PROHIBITED EQUIPMENT:**

No person may use or employ water sacks, ballast tanks, submersible wings, or any other device that causes a boat to operate in a bow-high manner or increases/enhances a boat’s wake.

**PROHIBITED OPERATION:**

No person may operate a boat in an artificially bow-high manner to increase/enhance the boat’s wake. This includes wake enhancement by using ballast, mechanical hydrofoils, uneven loading, or operating at transition speed (greater than slow-no-wake speed but not fast enough for the boat to plane).

**Certain Operations Excluded from the Ordinance:** The following operations are not violations, provided they do not use ballast tanks, water sacks, mechanical hydrofoils, or wake-enhancing fins: water skiing, tubing, brief transition operation to empty a boat of water or brief transition operation of a boat accelerating into a planning condition. These restrictions do not prevent using any particular type of watercraft.

**PENALTIES:**

Any person violating this ordinance shall forfeit \$500 for the first offense and \$1000 for the second offense within one year.

**REQUEST FOR COMPLIANCE:**

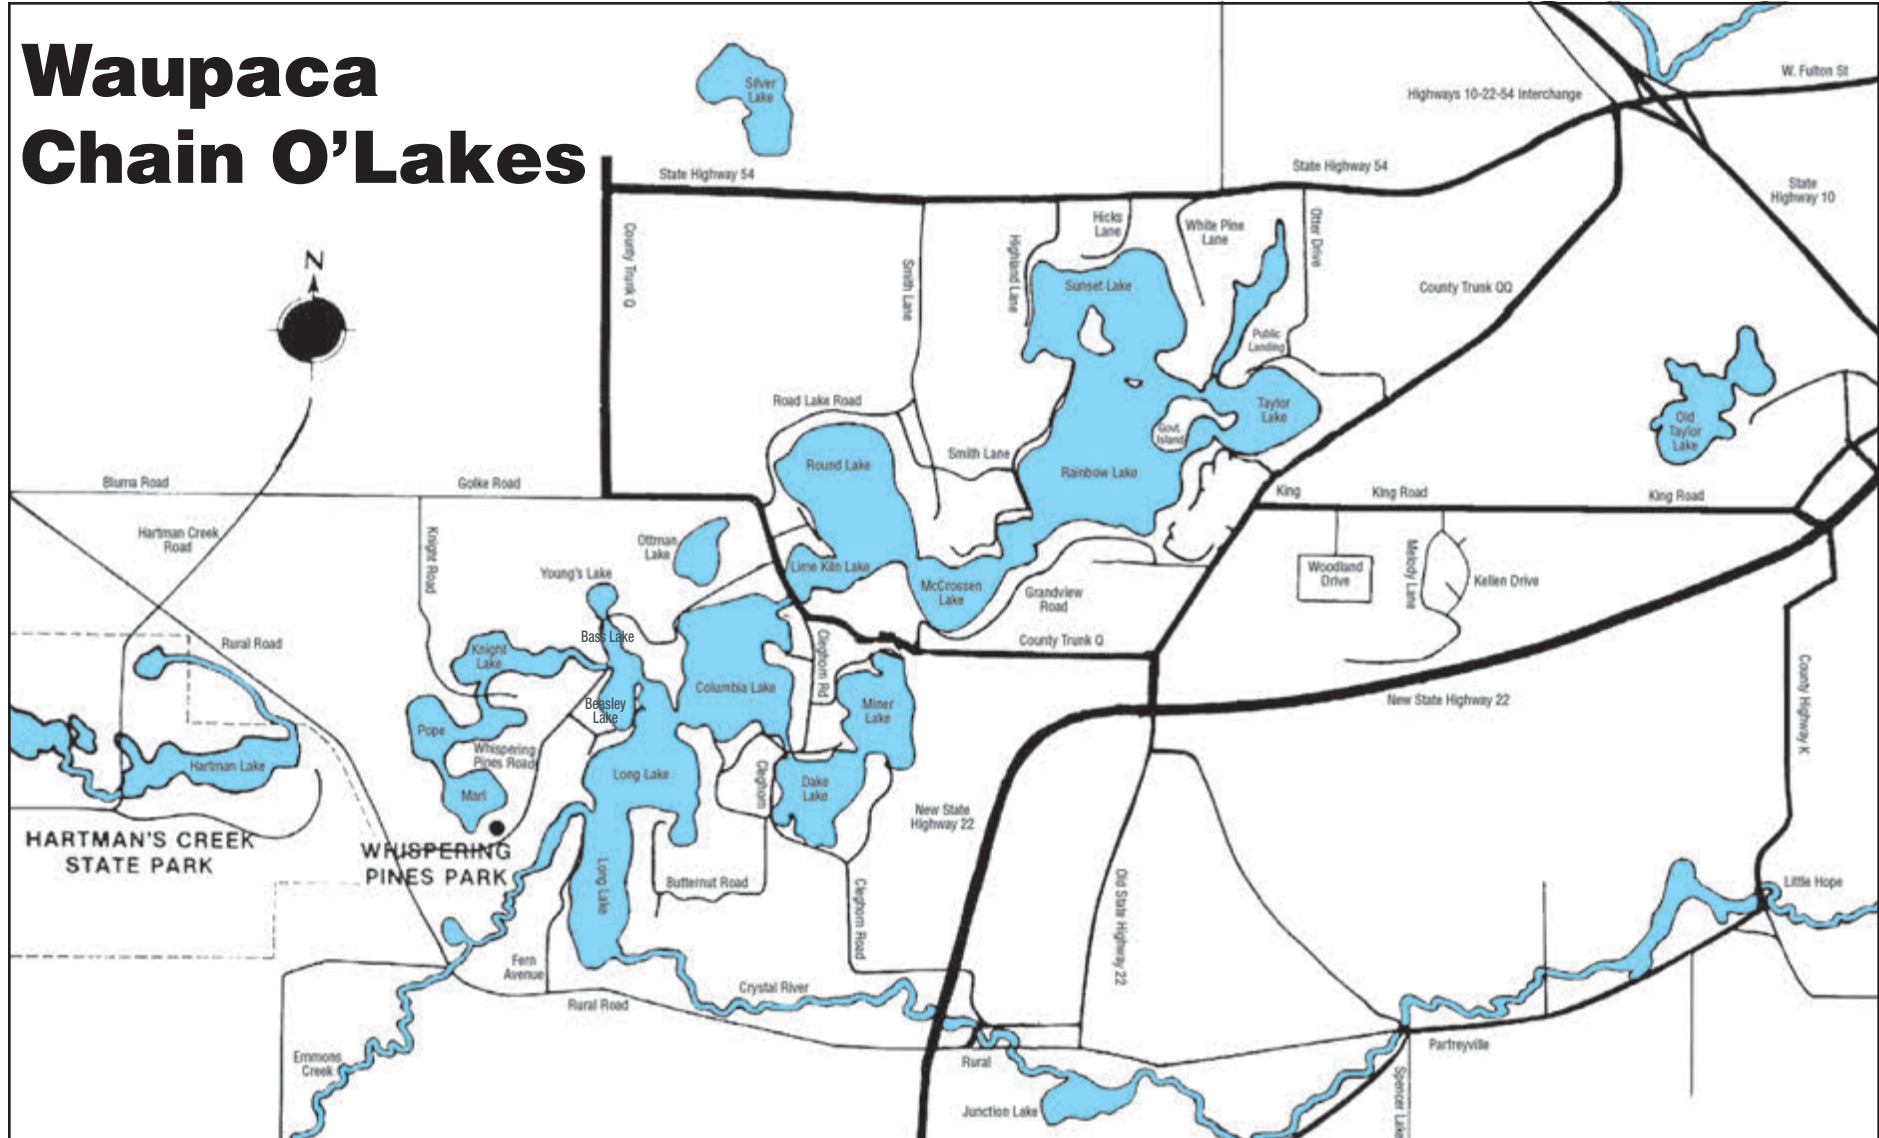

Our community prides itself on respecting established rules governing our lakes. We now ask for everyone’s support and compliance with this new ordinance. We applaud the towns of Farmington, Dayton, and Lind for collaborating on this very important issue. Their actions have protected the safety of all lake users and the environmental health of our precious resources.

**Wolf River:** Daily – Sunrise-Sunset

**“Slow No Wake”**  
There is a “slow no wake” speed limit in effect on the following lakes on the Waupaca Chain O’ Lakes: Dake, Minor, Sunset, Long Cove (a portion of Long Lake), Taylor, Otter, George, Bass, Nessling, McCrossen, Limekiln, Ottman, Beasley and the entire Upper Chain. State law also provides for a “slow no wake” limit in effect from ½ hour after sunset until sunrise on all lakes. Spencer Lake and Stratton Lake speed limits are “slow no wake”, except during ski hours. Portions of the Wolf River are “slow no wake” and marked with buoys.
