Meet Ann Marie North Star

Lady of the Lakes officially retired

BY EMILY DOUD
STAFF REPORTER

WAUPACA – A sleek new catamaran-style boat made its debut on the Chain O’ Lakes on May 23 and marked a new chapter for Clear Water Harbor.

The new vessel, named Ann Marie North Star, officially joins the fleet on Taylor Lake following the retirement of the Lady of the Lakes last fall.

The North Star now sails alongside the Chief Waupaca, which is celebrating its 51st summer on the Chain O’Lakes.

“Waupaca is an amazing area, and we want more people to be able to experience it,” said Caitlin Meighan, second-generation co-owner of Clear Water Harbor.

The Harbor’s location boasts a rich nautical legacy being home to the Chain’s first concessions and the area’s earliest steamboat tours which began in the 1870s.

Before it became the restaurant and bar it is today, the Harbor was known simply as the dock on the lake.

Arriving visitors would disembark at the train depot, hop a trolley to the water’s edge, and board steam-powered boats that carried them to their destinations.

The new boat’s name reflects this legacy. “North Star” was the name of one of the Chain

O’Lakes original launch boats and a favorite of Pat Meighan, one of Clear Water Harbor’s founders.

The North Star took its maiden voyage May 23 with the Meighan family onboard. The Lady of the Lakes has been retired and this new boat will take her place.

Meighan—also known as Mimi.

The North Star was purpose-built to address both changing tourism demands and long-standing guest feedback.

“After running the Lady for 40 years, we wanted to offer something with better visibility and flexibility,” Caitlin said.

Unlike the enclosed Lady, the North Star features an open-air layout for unobstructed views of the lakes and a more immersive experience.

Built by SightSeer Marine in Hudson, Florida, the North Star was designed with versatility in mind.

Its catamaran-style hull and twin outboard motors allow it to navigate shallow waters and stop for swims. It can also dock at private piers which will allow charter parties board the vessel easier. Unlike the Lady, which required guests to navigate stairs, the North Star features a single-level, platform-style layout, which makes it more accessible.

“There aren’t many easy ways for people who don’t live on the water to actually get on the water,” Caitlin said. “Not everyone is com-

fortable renting and piloting their own pontoon.”

The North Star holds up to 50 guests, offering both open-air seating and shaded areas beneath a canopy. It also includes a full-service bar and an onboard bathroom.

Its maiden voyage was a family affair taken just before Memorial Day weekend by the Meighan family, which included Caitlin, Ryan, Maureen, Mimi and Pat Meighan.

Final touches to the vessel are beginning this week. The North Star will run 1.5 hour narrated tours from Taylor Lake and throughout eleven lakes of the Chain.

It will also host specialty cruises including cocktail cruises, cheese and wine tours and swim excursions.

As Clear Water Harbor celebrates its 50th anniversary this summer, the launch of the North Star will help continue the long tradition of bringing people together on the water.

Specialty cruise announcements will be shared via social media. Tours can be booked online at www.clearwaterharbor.com, or by calling 715-258-2866.

Book about rescue dogs

BY KATIE SCHIMKE
STAFF REPORTER

STEVENS POINT – Stevens Point locals, Dennis and Becca Kaegi, along with their rescue dog, Bear, are raising awareness about the needs of rescue dogs in their new book *Our Friend Bear, He's Right There*. Becca was born and raised in Stevens Point, and continued on to pursue a degree from the University of Wisconsin-Stevens Point, where Dennis also graduated. After living across the state, the couple settled back into Stevens Point with their two dogs, Happy and Bear. Our Friend Bear, He's

Right There is a true story about the Kaegi's dog, Bear, who began his life in a difficult situation and then struggled to acclimate to being the only dog in a home. Bear eventually finds his "happy" in his new housemate and sister, Happy. "We want to build awareness about the trials and tribulation a dog goes through to find their people," said Becca Kaegi. Though designed for younger readers, *Our Friend Bear, He's Right There* can be enjoyed by all ages. All proceeds from the book will be donated to local animal shelters around central and north central Wisconsin. *Our Friend Bear, He's Right There* can be purchased through Amazon for \$14.

PLOVER – The 16th annual Cops-N-Bobbers will be held on Saturday, June 7 at Lake Pacawa Park. It is organized by the men and women of law enforcement in Portage County, including the Portage County Deputy Sheriffs Association and the Stevens Point Police Officer's Association, in collaboration with the Stevens Point Elks Lodge 641 who awarded a grant to assist in the expenses of the program. In addition to financial assistance, the lodge members will be actively involved, working with officers from the Plover Police Department, Portage County Sheriff's Office, Stevens Point Po-

lice Department, Wisconsin State Patrol, UWSP Police, and the Wisconsin Department of Natural Resources. Registration starts at 8:30 a.m. The catch and release tournament is from 9 – 11 a.m., lunch is immediately after. Secure a spot by visiting the Plover Police Department's Facebook page or the Portage County Law Enforcement Cops and Bobbers Facebook page. No fishing license is needed for this event. Bait and equipment will be available. Every participating child that registered ahead of time will receive a complimentary T-shirt.

School staff retires

981 years of experience

STEVENS POINT — The Stevens Point Area Public School District honored 46 retirees on May 21 at a celebration held at the Stevens Point Country Club. Hosted by Superintendent Dr. Cory Hirsbrunner and the School Board, the 2025 Retirement Dinner recognized a group of educators and staff whose careers collectively span 981 years of service to students and families in the Stevens Point area community. "This celebration is both joyful and emotional," said Superintendent Hirsbrunner. "We are grateful for your service and the legacy you leave behind, and though you are retiring, your impact will be felt for years to come." Each retiree was recognized individually by building and department leaders, presented with a lifetime Gold Pass for school sporting events, and honored with a tribute video.

Goal: zero traffic deaths by 2050

County testing safety schemes

BY KATIE SCHIMKE
STAFF REPORTER

STEVENS POINT – Portage County recently installed temporary installations around Stevens Point to test the safety of roads for drivers and pedestrians. Separated bike lanes were installed on Water Street and temporary curb extensions have been placed on campus at Fourth and Isadore Street. Installations in Plover will be added in the coming weeks, in addition to wider edge lines and optical speed bars being placed on county trunk highways in June in an attempt to get drivers to slow down if breaking the speed limit.

"Our goal is to achieve zero deaths on our roads by 2050," said Kristen Johnson, Planner for the Portage County Planning and Zoning Department. From 2017 to 2021, Portage County had a reported 7,382 crashes that included 31 fatalities. On all county roadways from 2019 to 2023, there was one reported fatality of a bicyclist. The current installations in Stevens Point are in a trial phase as the county gathers data and community feedback. The campus installa-

tion of temporary curb extensions is an extension of the sidewalk that faces vehicle traffic, something that Johnson said has already received community feedback. "There was an accident near the campus installation and I did hear from one gentleman after that the curb extension has been slowing traffic down, that people are taking that turn slower and driving carefully, overall," Johnson said. According to the Wis-

consin Department of Transportation, pedestrian crashes are on the rise. A study conducted from 2002-2022 reports that the most pedestrian fatalities occurred in 2022 with 72 deaths in the state. In 2022, WisDOT reports that the most frequent location at the time of a pedestrian crash occurred in marked crosswalks at intersections. While Portage County is testing installations for pedestrian safety, their goal is to make safer roads

for drivers, bicyclists and pedestrians. Johnson said the community can get involved by trying the protected bike lanes and curb bumps outs, in addition to the county trunk highway installations in June. Three walk roll audits will be held, as well, with two in Stevens Point and one in Amherst.

Click-It or Ticket

The Portage County Sheriff's Office will join law enforcement agencies across the country to reinforce the life-saving habit of wearing a seat belt during the Click-It or Ticket campaign from May 19 through June. Wisconsin's primary seat belt law allows law enforcement to stop and cite motorists for failing to wear a seat belt. Drivers can also be cited for every unbuckled passenger in their vehicle. Failure to fasten a seat belt is among the most common traffic violations in Wisconsin.

Clintonville Utilities receives national award

BY BERT LEHMAN
STAFF REPORTER

CLINTONVILLE—Clintonville Utilities has received the American Public Power Association (APPA) National Diamond Safety Award.

Clintonville Utilities Manager Dave Tichinel told the Clintonville Common Council at its May 13 meeting that the award is a national award, and is the highest award that is given out.

“We’ve always been at gold level,” Tichinel said. “With the help of MUW and our safety program, we actually got diamond, which is the highest award from the American Public Power Association. Good job to the utility department and all the guys. This is as safety award for being safe and operating safe and not having accidents and stuff like that.”

New blacktop at Bucholtz Park

BY BERT LEHMAN
STAFF REPORTER

CLINTONVILLE – The asphalt parking lot at Bucholtz Park will be repaved this year, replacing the parking lot at the Clintonville Community Center on the city’s Capital Improvement Plan (CIP) list of projects to be completed in 2025.

The Clintonville Common Council approved the switch when it met May 13, with the cost of repaving the asphalt parking lot at Bucholtz Park not to exceed \$250,000.

When explaining the reason for the requested switch on the CIP, Ald. Stephanie Bonikowske told the council that the city has received a lot of complaints about the condition of Morning Glory Drive, which Bucholtz Park is located on. With the city trying to address the condition of Morning Glory Drive “as fast as possible,” Bonikowske said it would make sense to repave the parking lot at Bucholtz Park first. If Morning Glory Drive would be repaved before Bucholtz Park’s parking lot, the heavy machinery needed for the parking lot project could damage the completed work on Morning Glory Drive.

“That parking lot is in dire need of being redone,” Bonikowske said. “So, we are wanting to use our resources towards that to get that done, so that when we are ready to do (repave)

Morning Glory (Drive), everything on the outside and around it is ready and done, so we don’t ruin what we just fixed at Morning Glory.”

Ald. Greg Rose, said the Clintonville Finance Committee felt the city had the funding to complete the repaving of the Bucholtz Park parking lot. Rose said Clintonville Public Works Director Justin Mc Auly didn’t know if the city had enough funds to also pave the gravel parking lot at Bucholtz Park.

“In an ideal circumstance we can find the funding to make both happen,” Rose said. “Hopefully, in the very near future we can get that little section of road right in front of there, repaired as well.”

Rose said the committee did consider the amount of use the Bucholtz Park parking lot receives versus

the amount of use the Clintonville Community Center parking lot receives.

“Obviously, this pushes this (Community Center) parking lot right here off til who knows when,” Rose said. “So, that’s still going to have to get done at some point.”

Ald. Jeannie Schley asked if the utilities would also be redone when Morning Glory Drive is repaved.

Mc Auly said the infrastructure is from the 1970s, which is considered “newer.”

He said the Morning Glory Drive project, when it is done, would include curb and gutter, and possibly replacing the base of the road.

“We don’t know what the base is underneath, so we could be digging that up and have to replace the base, but there’s no utilities that are going to be changed,” Mc Auly said.

Work underway at all-inclusive park

\$4,000 still needed

CLINTONVILLE – Work as started on the all-inclusive park at W.A. Olen Park in Clintonville, in which the funds were raised by the non-profit Down With Mylestones.

At the May 13 Clintonville Common Council meeting, Lisa Hill, who formed Down With Mylestones, informed the council that ground has been broken for the all-inclusive park project at W.A. Olen Park. The area was being prepped and construction was to begin Monday, May 19.

Hill said the all-inclusive park will be accessible for those in wheelchairs. Music notes will be located all around the park. There will be swings available for children with disabilities. Swings with a five-point harness and higher back will also be available for children who do not have the muscle tone or strength to support

their heads.

There will also be a climbing apparatus at the park, which will be located next to the equipment that is already at the park, Hill said.

She added that all-inclusive items will be located around the side of the park that is already there.

“It will have the rubber foundation that makes it easier for wheelchairs, strollers, walkers,” Hill said.

Clintonville Mayor Steve Kettenhoven said he was “very excited” about the project.

“I think it’s going to be a fantastic addition to our community for children with disabilities and then all the kids will be able to use

it,” Kettenhoven said.

Clintonville City Administrator Caz Muske asked Hill the status of the fundraising her group, Down With Mylestones, was doing.

Hill said they are currently \$4,000 short of their \$240,000 goal.

The 2nd Annual Swing for a Cause fundraising event for Down With Mylestones is scheduled for June 6 at Riverside Golf Course in Clintonville. Registration is at 8 a.m., with a shotgun start slated for 9 a.m. The cost is \$85 per person, or \$320 for a foursome. Included are: 18 holes, cart, lunch, and two drink tickets.

Spring plant sale

WEYAUWEGA – The Waupaca County Master Gardener Spring Plant Sale will be held on Sunday, June 1 from 8 a.m. to 2 p.m. at the Waupaca County Fairgrounds in Weyauwega. Visitors should head towards the South Street entrance.

The annual sale features quality plants grown for this region. Gardeners will find a wide selection of perennials including nectar producing plants, hostas, groundcovers, daylilies, and more along with annuals,

vegetables and herbs. Garden art, planters, books and other garden related items will be available for purchase also.

Plant selections have been made available by Master Gardeners with years of gardening experience growing plants in this area of Wisconsin. Plants are labeled with care instructions including light and soil requirements to meet a variety of garden situations.

Master Gardeners will be available throughout the day to answer gardening

questions and assist with plant selection.

The spring plant sale is the primary fundraiser for the Waupaca County Master Gardener Association. Proceeds fund community beautification, outreach and education programs throughout Waupaca County, such as children’s gardens, scholarship awards, book donations to area libraries and donations to area food pantries. Admission to the sale is free.

All purchases are cash or check only.

Silo mural repainting

WEYAUWEGA – In collaboration with the Wolf River Art League, the Weyauwega Area Historical Society will be repainting the mural on the silo in Stevenson Park on Saturday, May 31. The paint job starts at noon and visitors are welcome to stop by and watch artists at work and enjoy a day at the park. It is also an opportunity to learn about the iconic historical images on the silo.

Wanted: Local talent, possible murder

WEYAUWEGA – Wega Arts is looking for jugglers, ballerinas, jazz singers, bluesmen, beat poets, fire breathers, sword swallowers, slapstick comedians, contortionists, rock-and-rollers, acrobats, clowns, disco dancers, puppeteers, ventriloquists, whistlers, escape artists, keyboardists and anyone that has a talent of interest or amusement.

The original Murder Mystery Dinner Theater is back for its second year at the Gerold Opera House at 136 E Main Street.

Last year’s show was a fantastic showcase of people in the community with a wide range of cool talents and skills. They performed to a sold-out house.

Here’s how it works: Under the guidance of Wega Arts, local performers are part of a talent show except there is a story-within-a-story: some of the contestants end up dead. Who is the killer? And that is what the dinner-theater audience tries to figure out.

Last year’s talent show took place in 1959 and novelist

and one-time Wega resident Robert Bloch (author of Psycho) was one of the fictional judges. This year the show will take place in 1979 with a disco theme and all auditioning acts should keep this in mind.

Audition dates are Saturday, July 19 from 10 a.m. to 2 p.m. and Sunday, July 20 from 6 to 8 p.m.

Send Wega Arts a message for plans to audition and they will reply with more details.

Shoreline restored after delay

BY EMILY DOUD
STAFF REPORTER

MANAWA – The shoreline restoration project in the City of Manawa finished up last week after having to extend the deadline due to permitting issues.

The City of Manawa officials pursued and received a grant through the United States Department of Agriculture (USDA), which helped to pay for 75 percent of the repairs, with the city responsible for the additional 25 percent.

The grant was set to expire April 25 and the project was starting to hit delays.

Josh Smith, who heads up the department of public works, said the delays were due to the permitting process through the Department of Natural Resources (DNR).

Smith said the permit process to work on the shoreline was lengthy and required multiple pieces of paperwork, saying once they submitted the documentation necessary for the permit that the DNR would ask for additional items.

Once the permit was approved the timeframes nar-

The shoreline stabilization began early spring at the Manawa dam site to ensure the northside of the river’s shoreline stops eroding into the river.

Emily Doud Photo

rowed, and it became clear they would not reach the deadline. Smith said they were able to get an extension on the grant, which now is set to expire in July.

An additional month is all that was needed, as the shoreline is officially stabilized to help curb future degradation.

Smith said the river was pulling more and more of the soil away from the shore, which would have damaged fish habitat and travel through the river.

The general contractor of the project was Michels Corporation.

Smith said they did not see

any issues pertaining to the runoff from this year despite the project not being fully completed before the snow melt.

Concerns arose about the stability of the shoreline after torrential downpours led to the dam breaching on its north side last July.

With the shoreline continuing to erode as water was pushing past the dam, and further on at Kobussen just beyond the bridge, it was clear the stability would need to be addressed before the thaw came through this past spring.

Bluegrass festival returns

MANAWA – A bluegrass festival to raise money for pancreatic cancer research has come back for another summer. Bluegrass at the Bertgrounds is a bluegrass concert held close to Bear Lake Campground at E5311 Bear Lake Road in Weyauwega.

The event will be held on June 7 starting at 5 p.m.

The event will feature three acts including The Missing Miles, The Millbillies from Milwaukee, and Montana Suede from Illinois.

The event is in honor of Bert

Timm who passed away from pancreatic cancer. Timm was a fixture throughout the Manawa community and loved bluegrass music.

Tickets will cost \$10 for adults, kids are free. There will also be food to purchase from local food trucks, including tacos and coffee. As for alcoholic beverages, it is bring-your-own beer.

Music is set to begin at 6 p.m.

The cancer research charity the event will raise money for is PanCAN. The PanCAN national charity funds re-

search, conducts community outreach and advocates for increased federal research funding.

Sponsors include Union Still, Steve and Michelle’s Midtown, Buschke Carving, DASH Electric Contracting, The Mill in Bonduel, Steingraber Ponds and Valley Pest Control.

For more information, head to their Facebook event page at Bluegrass at the Bertgrounds to Beat Pancreatic Cancer or their Facebook page at The Bertgrounds.

City-wide rummage sale

MANAWA – The annual city-wide rummage sale in Manawa is set to take place on Saturday, June 7. This annual event calls on Manawa residents to put on their rummage sales en masse in order to draw a larger crowd of shoppers to the area.

The event is sponsored by the Manawa Area Chamber of Commerce.

Those intending to have a rummage sale were encour-

aged to sign up early in order to get their address and short description of items for sale printed on a map that will be given out to shoppers.

Some of the sales may start earlier and start times should be listed on the map.

You can find the map in Manawa area businesses as well as listed on Facebook at Manawa Chamber of Commerce and on the Manawa Chamber website at www.manawachamber.org.

The maps will be available for pick-up on June 5.

Those who were looking to host a rummage sale, but did not get on the map before the May deadline are still encouraged to hold their garage sale.

The annual event always falls on the first Saturday in June, with a fall city-wide rummage sale landing on the last Saturday in September.

Grant agreement approved

City to receive \$211,595

BY BERT LEHMAN
STAFF REPORTER

NEW LONDON – The city of New London has approved a Recreational Boating Fund Agreement with the Wisconsin Department of Natural Resources (DNR) for the development of a courtesy dock, renovation of a parking area, and trail resurfacing from the Waters Supper Club to Johnny’s Little Shop of Bait.

The New London Common Council approved the agreement at its May 20 meeting.

The estimated cost of the project is \$423,191. The agreement with the DNR is for a 50% cost share, so the city will receive \$211,595.

To cover the city’s portion of the project, the city will use around \$60,000 from the Boat Launch Funds. The remainder of the funds will come through Capital Project funds that were previously approved by the council.

According to the agreement all project activities must take place between April 8, 2025 and June 30, 2027. Any changes to the project plans must be approved by the DNR. The city is entitled to a project advance of \$105,797.

Needed upgrades at Bulldog Stadium

BY BERT LEHMAN
STAFF REPORTER

NEW LONDON – The possibility of constructing bathrooms and a concession area with running water at Bulldog Stadium was sent back to the Facilities Committee so it can decide on a budget amount for the project.

That was the decision of the New London Board of Education when it discussed the improvements at its April 30 meeting.

Leading off the discussion, New London Superintendent Scott Bleck said as long has he been with the district the district has been researching improvements to Bulldog Stadium and facilities that would support bathrooms and a concessions area with running water.

The district’s Facilities Committee has met several times to discuss the matter, Bleck said.

One of the reasons so much time is being spent researching the addition of bathrooms and a concession area with running water is survey results from parents and guardians in support of the idea.

Bleck added that those

who have managed the concession area at Bulldog Stadium have done a great job with what they have to work with.

“But it is troublesome to watch them bring in water to try to establish hot water for hot chocolate, or grilling in spaces that may not be as productive as they could be,” Bleck said.

Bleck said the district is not looking to build an elaborate concession area, rather something that would meet the needs of the district.

Joe Marquardt, SDNL business services director, told the board that the project had been discussed as far back as 2018 when it was budgeted at over \$1 million.

“The project has not gone away from the discussion point,” Marquardt said.

Marquardt said he would like to add the project to the budget for the upcoming year, but to accomplish that, a formal plan for the project needs to be approved. He acknowledged that it is difficult to include such a project in the district’s budget considering how tight the budget is each year.

Last year, Marquardt said the district received an estimate of \$525,000 for the project, which would not include the sewer laterals. Last fall another estimate was received, and again, the estimate was more than \$500,000.

After more research, Marquardt said having a formal design of the project is important when seeking competitive bids for the project.

He reiterated Bleck’s remarks about not seeking to build an elaborate bathroom and concessions facility.

“We’re looking to provide restroom facilities to our spectators, our coaches, our kids,” Marquardt said.

The district is the only school in its conference that has porta-potties and no running water at their stadium, Marquardt said.

Next step

Board member Chris Martinson asked what the board needs to do for the next step of the process.

Marquardt said if the board would like to move forward with the next step of the project, he would like to board to indicate it is in favor of the project. He added that if the board wanted to move forward, Somerville, a company that the district works with, would put together a design phase, a bidding phase, and a construction/administrator phase for the project. “They would put together the blueprint with the architectural, the electrical, the plumbing, the HVAC, and the finishes,” Marquardt said. “That gives a general contractor or subcontractor an opportunity to say ‘I want to work with the School District of New London on that project and provide a bid.’”

Board Vice-President Katie Batten asked how much it would cost to have Somerville do that work.

Bleck said it would be based on a percentage of the cost of the total project.

Batten said she knows

what it is like to work in the current concession stand and said one with running water is needed. But she said she would have a hard time approving this project if it costs \$600,000.

Martinson suggested the district find a local engineering firm who could draw up a “bare-bones” project that meets codes and laws.

Board President John Heideman said the district could get the plans of other similar facilities that other districts have constructed.

“We don’t need to recreate the wheel, it’s there,” Heideman said. “...This isn’t as complicated as we’re getting into.”

Heideman recommended the board send the item back to the Facilities Committee to create a timeline and move the project forward.

“Have it really moving forward by July 1st,” Heideman said. “I don’t think we need to spend this much money, and I don’t think we need it this complex. And I think we need to look at what do we need versus what do we want. The Somerville idea, I think is a want, especially in light of our budget.”

Marquardt said it would help if the board would indicate a dollar amount that it is comfortable with for the project’s budget.

He added that the funds for the project would come from Fund 46, which comes from the long-term capital improvement fund. There is \$1.2 million in that fund.

Chamber of Commerce awards

BY EMILY DOUD
STAFF REPORTER

IOLA-SCANDINAVIA – The annual award ceremony for the Iola-Scandinavia Chamber of Commerce awards was held May 21 with winners in each category for outstanding person of the year, business of the year and the Spark Plug Award.

This year marks 27 years of holding the award ceremony, which was led by Greg Loescher, the president of the Iola-Scandinavia Chamber of Commerce.

Outstanding Person of the Year

The nominees for outstanding person of the year were Diana Jones of JP Media, Barbara Kobs and Jerry Kopecky of Kopecky’s Collision Repair Services and Shivers, with Diana Jones winning the category for 2024.

Jones is the owner of JP Media in Iola, which creates magazines, newsletters, websites, books and webinars and employs 18 people.

The company has yearly

The Iola-Scandinavia Chamber of Commerce awards were held May 21 at Crystal Cafe in Iola. Winners are (from l to r) Diana Jones, Jules Melum and Megan Melum.

scholarships for Iola-Scandinavia graduates, and regularly donates to events around the community.

Jones stays busy around the community as well, with being a school board member for the past seven years, as well as an Iola Lions Club and Iola Leos Club member.

Through these organizations she has served as a judge for DECA at the high school, helped plan a number of events including Tastes and Tunes, the Village wide rummage sale and

fireworks in July.

She also volunteers at the Iola Car Show, Scandinavia Corn Roast, she has chaperoned school field trips, teaches Sunday school once a month at her church and has also taught pee-wee cheerleading.

“I feel very honored and humbled,” Jones said. “We just have an amazing community ... I’m just grateful.”

Previous winners of this award include Chet Krause, Charlie Wasrud, Lyle Mork and Clifford Mishler.

Business of the Year

The nominees for business of the year were Country Chic Boutique in Scandinavia, Little Wolf Gallery and Melum Masonry, with Jules Melum of Melum Masonry taking the top spot for 2024.

Jules is a third-generation mason, following in the footsteps of his father and grandfather.

“I am just honored to be in the community, continuing my family legacy,” Jules said.

His company focuses on small to medium-size masonry work, which includes things like chimney repair, stonework, tuck pointing and concrete flatwork.

Melum Masonry has four year round employees and seven during the peak season in the summer.

The company is headquartered in Iola and they work on projects in Stevens Point, Waupaca and surrounding areas.

“Our niche is we’re able to serve the community and help out individuals and

homeowners,” Jules said at the ceremony. “We’re not just taking on the big jobs, we’re doing the little stuff that I feel gets overlooked a lot of times.”

Jules is actively involved in every part of his business, with a masonry trade that has deep roots in the Iola community.

The 2023 business of the year winner was Odin and Freja’s.

Spark Plug Award

The Spark Plug award is given to people between the ages of 21 and 40 that have shown ambition and initiative in the Iola-Scandinavia community.

The nominees were Megan Melum of Melum Marketing and Amanda Christoph, with Megan Melum taking the award for 2024.

Megan has 15 years of experience in the marketing industry, with Melum Marketing she is able to assist small businesses to build a digital presence with website design, content creation, social media manage-

ment and event planning.

Outside of her marketing business she is also actively involved in the community, where she is president of the Iola Winter Carnival, with plans to continue to grow the event.

With the expansion of the Winter Carnival she was also able to raise money for local organizations, including \$1,000 to Iola Fire and Ambulance, \$3,500 to the American Legion, \$1,000 to the Iola Ski Jill and \$500 to the Iola Chamber.

“I was very honored to get the Spark Plug Award this year, but I have to say that there’s no way I could take on the Winter Carnival without the amazing board that I have on my side that helped me plan it month to month, and also like over a hundred volunteers that it takes to get together to make it happen,” Megan said.

Loescher said while presenting the award that Megan wants to take on the Christmas parade, hoping to get some reindeer for the event.

Scheller, Gladys

Gladys Lou (Korth) Scheller, age 87, of Manawa, passed away on Wednesday, May 21, 2025. She was born in New London on February 8, 1938 to the late Alfred and Elnora (Popke) Korth.

Gladys was baptized on March 27, 1938, and confirmed at Emanuel Lutheran Church in New London in 1952 by Pastor Walter Pankow.

She lived in New London and attended the one room school house called Golden Hill Country School. In 1956, Gladys graduated from Washington High. She worked at the Edison and AAL. On August 10, 1957, Gladys married Grant Scheller. They moved to Manawa on November 1, 1969 to farm and haul cattle.

There were many things that Gladys loved. Most of all, she loved her children, grandchildren and great grandchild. She also loved cooking, sewing, gardening, church choir, walking, decorating cakes, church, volunteering at Lambeau Field, The Performing Arts Center, working in the gift shop at New London Hospital, being a teacher's aide at St. Paul Lutheran School, and 4-H volunteer and leader. She was especially proud of the fact she donated 11 gallons of blood to the Red Cross.

Gladys is survived by her children: Tim Scheller, Bruce (Jennifer) Scheller, John (Julie) Diermeier, Louisa (Craig) Schefe; her grandchildren: Danielle (Seth) Harmadi, Bri- anne (Stephen) Martin, Ian Diermeier, Brandon Scheller, David Scheller, Andrew Scheller, Jacob Scheller, and Shelby Schefe; step grandchild: Carly Diermeier; great grandchild: Sebastian Martin; brothers: Dalton (Lucina) Korth, Dwight (Arlene) Korth; sister, Audrey (Jerry) Brown; sisters-in-law: Judy Korth, Joy Freeman, Rac Mona Preece, and Dorothy Scheller; godchildren: Dwight Korth, Todd Close, Gwinette Zielke, Ron Scheller, Junel Korth, Nasette Martin, Kevin Korth, Aaron Stroud, and Benjamin Korth.

Besides her parents, she was preceded in death by her husband, Grant Scheller; children: Denece Diermeier and Terry Scheller; sister and brother-in-law, Ron and Marilyn Stroud; brother, Karl Korth; mother-in-law, Sadie Van-Vorst; special friend, Hugh Samson; daughter-in-law, Celvee Scheller; sisters-in-law: June Lefebber, Lois Linde; godchild, Ricky Baehman.

The Memorial Service that will celebrate Gladys' life will be held on Saturday, May 31, 2025 at 11:00 a.m. at St. Paul Lutheran Church in Manawa with Rev. Nathan Reichle officiating. A gathering of family and friends will be held prior to the service from 9:00 a.m. until 10:45 a.m. at the church. Burial will be in New Maple Creek Cemetery, Town of Maple Creek, Outagamie County. In lieu of flow- ers, memorials may be directed to St. Paul Lutheran Church or School.

Friends may visit www.dahlkefh.com to share memories and condolences with Gladys's family.

Shelley, Rodger

July 4, 1955 – May 18, 2025
Rodger G. Shelley, age 69, of New London, Wisconsin, passed away on May 18, 2025, alongside his wife, while relaxing at home on a quiet Sunday afternoon. Rodger was born on July 4, 1955, in New London, Wis- consin. He spent his entire life in the area. He worked at Tyson Foods (formerly Hill- shire Farm) for 48 years, earning the respect of his coworkers through decades of dedication and hard work.

Rodger enjoyed the outdoors and could often be found camping, fishing, or bird hunting. He and Joan shared a love of quiet getaways to Southwest Wisconsin, regular walks in Hartman Creek State Park, and visits to Starbucks. Easygoing by nature, Rodger was known for his laid-back personality and his fondness for old-fashioned and clever sayings that always brought a smile.

Rodger is survived by his loving wife, Joan Shelley; his son, Jason Shelley, and daughter-in-law, Elizabeth; and his grandsons, Alexander and Xavier. His grandsons brought great joy to his life.

Rodger was preceded in death by his parents, Truman Shelley and Lucy Wege, and his sisters, Lynn Shelley and Connie Spiering.

He will be missed deeply by his family and those who knew him.

Per Rodger's request, no services will be held.

Defendant.

Case No. 25 CV 229
30301 - Money Judgment
AMENDED SUMMONS

THE STATE OF WISCONSIN
To each person named above as a Defendant:

You are hereby notified that the Plaintiff named above has filed a lawsuit or other legal action against you. The Complaint, which has been sent to you by U.S. Postal Service First Class Mail, states the nature and basis of the legal action. Within forty (40) days after May 22, 2025, you must respond with a written answer, as that term is used in chapter 802 of the Wisconsin Statutes, to the Complaint. The Court may reject or disregard an answer that does not follow the requirements of the statutes.

The answer must be mailed or delivered to the Court, the Waupaca County Court House, whose address is 811 Harding Street, Waupaca, Wisconsin 54981, and to Plaintiff's attorney, whose mailing address is P.O. Box 186, Little Chute, Wisconsin, 54140-0186. You may have an attorney help or represent you.

If you do not provide a proper answer within forty (40) days, the Court may grant judgment against you for the award of money or other legal action requested in the Complaint, and you may lose your right to object to anything that is or may be incorrect in the Complaint. A judgment may be enforced as provided by law. A judgment awarding money may become a lien against any real estate you own now or in the future, and may also be enforced by garnishment or seizure of property.

NOTICE TOWN OF WOLF RIVER BOARD OF REVIEW WOLF RIVER TOWN HALL 8800 County Road II Fremont, WI 54940

Wednesday, June 11, 2025 Beginning at 6:00 p.m.
PLEASE BE ADVISED OF THE FOLLOWING REQUIREMENTS to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.
After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the Board about the person's objection except at a session of the Board.
No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48-hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board, the person shall specify, in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.
No person may appear before the Board of Review, testify to the Board by telephone or object to a valuation, if that valuation was made by the Assessor or the Objector using the income method, unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Section 73.03(2a), that the Assessor requests. The Town of Wolf River maintains the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(1) of Wis. Statutes.
The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone.
Susan J. Gilbert, Clerk

Finger, Doug & Judy Nelson, Marcy Wentworth.

Moved Eck/Timm to move the agenda item "Dam Updates" to first item on the agenda and to approve the agenda of April 21, 2025. Carried.

Moved Eck/Timm to approve the council meeting minutes of March 17, 2025. Carried.

Dam Updates: April 2, 2025 – Mayor Frazier and Jim Roenz went to Kaukauna to address the WI State Finance Committee to request some financial aid from the state budget to replace the dam. Members of the Town of Little Wolf will be going on April 29th to Wausau to speak to the State Finance Committee as well. Cedar Corp gave a new quote for a spillway with 2 gates for \$8.4 million. The April 25th deadline for the shoreline stabilization was unable to be met. Deadline has been extended to July 15th. The City applied with Tammy Baldwin's office for federal funding for the repair of the dam. The City will be going into closed session to discuss the terms of a possible dam agreement.

Moved Lehrer/Roenz to approve of the Bills of Allowance \$454,953.92. Carried.

Audience: *Jeremiah, Doug, Judy Nelson.* They purchased the old motel property at 535 N. Bridge Street. Paul Hanlon called them recently and expressed to them that they needed state approved plans for the property done on the property. Doug Nelson stated that he contacted architects and found out that according to code SPS 361.40(1)(b) that they fall under the cubic feet requirements and do not need approved plans so they continued with the many updates. Doug stated that he met with the Waupaca County Health Human services for a pre-inspection. They have potential buyers but the buyers would not be interested in purchasing it as a motel but would be interested if it was a multi-family rental property. The Nelsons would like to rezone the property to R1 Residential because the efficiency units meet the 400 sq. ft. minimum requirements. They were informed that a Plan Commission meeting will need to be setup to change the comprehensive plan and zoning. They were instructed to call the City Clerk's office to set up the meeting. Library Director Sue Vatter Olsen presented the Sturm Memorial Library's annual report.

Finance: Seasonal Park Position: Moved Eck/Roenz to hire Drake Frasier at \$15.00 per hour for the Seasonal Park Position. Carried.

Improvements: There has been no meeting. Dam Updates were given in the beginning of the Council meeting.

Protection: Municipal Court – Didn't meet. Fire Board – discussed budget quarterly numbers. They are bringing in more fees due to Flex Medic and higher rates.

Chamber request to allow bloody mary drinks during "Spring into Manawa" event: Moved Lehrer/Brown to allow the consumption and carry out of bloody mary drinks on the sidewalks and streets in the Manawa downtown during the Chamber's "Spring into Manawa" event on May 4, 2025 from 9a-2p. Carried.

Wolves Den celebration on July 19: Moved Roenz/Lehrer to allow Wolves Den to set up a tent behind his property at 313 S. Bridge Street for a band, pig roast and selling of beer and alcohol with a fence around the tent on July 19, 2025. Carried.

Plan Commission: A meeting will need to be setup for rezoning at 535 N. Bridge Street.

Mayor: Mayor Frazier recognized Mark Lehrer 2 years, Aaron Timm 3 years, Jim Roenz 5 years, Alice Brown 16 years, Mike Frazier 16 years and Ann Bonikowske 20 years of service to the City. Midwest Athletic Fields have moved in equipment to start work on the fields at Lindsay Park.

DPW: Josh went over his report. Sold items on Wisconsin Surplus website. Hoping to get well#3 back to full operation before Memorial Day weekend. Rented vac trailer to clean out storm inlets. Got an extension for the shoreline project. Getting the tar kettle next week to start filling potholes and street maintenance. Took down ash trees at Lindsay Park due to Ash Borer disease. Donor wall at Veterans Park was installed. Manawa Booster Club will be getting a fridge for softball field concession stand. Lions Club will be willing to donate their old coolers to put in the baseball and softball concession stands. Received 3 out of the 4 toilets to be replaced at the park.

Police: Police Chief Jason Severson went over his report. Spring clean-up dates will be Friday, April 25, and Saturday, April 26. Last week the chiefs and sheriff met about starting a law enforcement peer support group. We will be starting to get up for the rodeo and the Manawa Night Out Soon.

Fire: Chief Josh Smith went over his report. Pancake Breakfast is April 27th 8am to noon. All the calendar raffle tickets were sold. Currently at 51 calls for the fiscal year.

Library: Alice Brown stated that it is going great and we have a great librarian and employees.

Clerk: Financial Report: General Fund balance – \$832,158.93; Government Pool – \$16,754.47

New Business: Will need to schedule a meeting for a request to vacate east side of Railroad Street. Ben Hlaban would like to know if the Council wants to meet with Baraboo representatives. Ben will contact the clerk's office.

Closed Session: Moved Roenz/Eck to adjourn into closed session at 7:18pm per 19.85 (1)(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session for dam contract and 19.85 (1)(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility. Moved Roenz/Eck to return to open session at 8:18pm with no recommendations.

Moved Brown/Eck to adjourn at 8:20 pm. Carried.

REPORT OF OFFICERS on recent events & public announcements:

Mayor Herter read a proclamation proclaiming May 10, 2025 as Letter Carriers' Food Drive Day in New London. Besaw / Ritchie to pass Resolution # 1489 supporting World Migratory Bird Day. Carried 9-0.

A Resolution supporting World Migratory Bird Day

Whereas, migratory birds are some of the most beautiful and easily ob-served wildlife that share our communities, and Whereas, many citizens recognize and welcome migratory songbirds as symbolic heralds of spring, and Whereas, these migrant species also play an important economic role in our community, controlling insect pests and generating millions in recrea-tional dollars statewide, and

Whereas, public awareness and concern are crucial components of migratory-bird conservation, and

Whereas, since 1993 World Migratory Bird Day (WMBD) has become a primary vehicle for focusing public attention on the nearly 350 species that travel between nesting habitats in our communities and throughout North America and their wintering grounds in South and Central America, Mexico, the Caribbean, and the southern U.S., and

Whereas, while WMBD officially is held each year on the second Saturday in May, its observance is not limited to a single day, and planners are en-couraged to schedule activities on the dates best suited to the presence of both migrants and celebrants, and

Whereas, WMBD is not only a day to foster appreciation for wild birds and to celebrate and support migratory bird conservation, but also a call to action,

NOW THEREFORE I, Mark Herter, as Mayor of the City of New London, Wisconsin, do hereby proclaim Saturday, May 10, 2025 as **World Migratory Bird Day** in the City of New London and I urge all citizens to celebrate this observance and to support efforts to protect and conserve migratory birds and their habitats in our community and the world at large.

Adopted this 15th day of April, 2025

Signed

SCHOOL DISTRICT OF WAUPACA SCHOOL BOARD MEETING MINUTES

April 8, 2025 Regular Meeting

Pursuant to the regulations, the regular Board meeting was held on the above date in the Waupaca High School Community Room and live streamed via YouTube. The meeting was also broadcast on TV Channel 991.

The purpose of the Board Meeting Minutes is to capture the essence of discussions through the actions voted on. These minutes should not be interpreted to represent a transcription of the meeting. To watch a recording of this meeting, please click here.

President's Comments and Pledge of Allegiance:

Ron Brooks welcomed everyone and expressed his deepest gratitude to the entire Student Services team, the administrative team, and the WMS staff in how they handled the recent tragedy. It was very well done and the District received several compliments from community members. He then asked Bob Adams to lead the Board in the Pledge of Allegiance.

Mr. Brooks advised that because Board member Dale Feldt did not seek re-election, this is his last regular Board meeting, so on behalf of the Board and the entire District, he thanked him for his 40-plus years of service to the District.

Call to Order:

The meeting was called to order by President Ron Brooks at 5:30 p.m.

Roll Call:

Present in the WMS Community Room: Ron Brooks, Wally McDonald, Betty Manion, Dale Feldt, Bob Adams, and Lori Verhalen.

Alec Present:

Present in the WMS Community Room: Craig Gerlach, Sandy Lanes, Mark Flaten, Austin Moore, Laurie Schmidt, Michael Werbowisky, Jennifer Erb, Kyle Scherwinski, John Meyer, Lisa Graf, John Esparsmer, Jody Pankratz, Carrie Napparatula, Alec Olson, Jay Seefeldt, Sarah Hanneman, Liz Kneer, and members of the community.

Approval of Agenda:

A motion was made by Dale Feldt and seconded by Betty Manion to approve the agenda as presented. The motion carried unanimously on a voice vote.

Magic Minute:

The Board members as well as the Student Representative shared a positive comment or event.

Public Comment:

Waupaca Public Library Exhibit Coordinator Liz Kneer spoke regarding the partnership between the Public Library and the School District of Waupaca. She worked with District Librarian Sarah Hanneman and others in the District to bring the Holocaust Exhibit to the Public Library, which was fully funded by donations and very well attended by students and community members. In addition, they were able to bring in a best-selling historical author to speak and provide an in-person presentation regarding the Holocaust. She also shared other events and presentations provided to students and community members at the Public Library.

Laura Ackmann from Moms for Liberty-Wisconsin addressed the Board regarding Title IX. She urged the Board to rescind Board Policy 2264 and reinstate Board Policy 2266 with a revision made to remove the reference to "gender identity" in that policy. She asked that the Board follow the federal Executive Orders issued and use common sense.

Review of Board Meeting Norms:

The Board reviewed their collective commitments.

Board Reports:

Student Representative Report: Alec Olson advised of the events taking place at WHS. He noted that International Day is April 11th and they will host Rotary international students. He also acknowledged that May is mental health awareness month.

Approval of Minutes: March 6, 2025 Regular Board Meeting

A motion was made by Dale Feldt and seconded by Betty Manion to approve the Minutes of the March 6, 2025 Regular Board Meeting as presented. The motion carried unanimously on a voice vote.

April 3, 2025 Finance Committee Meeting

A motion was made by Betty Manion and seconded by Molly McDonald to approve the Minutes of the April 3, 2025 Finance Committee Meeting as presented. The motion carried unanimously on a voice vote.

Upcoming Meetings and Other Activities:

Minutes

7725

The Board was reminded of the following upcoming meetings and other activities:

April 21, 2025 - Policy Committee Meeting - 5:30 p.m.

April 28, 2025 - Special Board Organizational Meeting - 5:30 p.m.

May 13, 2025 - Regular Board Meeting - 5:30 p.m.

Completion of Board Member Availability Calendar:

The Board members were asked to complete their availability calendars through May.

School Visits or Other Board Reports:

Board member Lori Verhalen shared that she attended the math and reading event at WMS as well as the hiring expo at WHS. Board members Ron Brooks and Betty Manion attended the *Character Matters* play at WLC, and Board members Bob Adams and Mrs. Manion attended the *Follow the Yellow Brick Road* play at WMS.

Board member Dale Feldt advised that he was the guest speaker at Academic Awards Night and spoke on community service and volunteering.

Mrs. Manion added that earlier today she walked through the WLC with both of the Administrators and saw how Comet Cash opportunities were applied. She was advised of the District's crisis plan and the team members and procedures involved. Mr. Brooks added that he read a book virtually to WLC students and while doing so, the students could see the farming activities continuing in the background.

Mr. Adams shared that his wife was a chaperone on the music trip to New Orleans and complimented the Music Department in putting together a fantastic trip.

CEC Liaison Report:

CEC Liaison Betty Manion advised that she attended two CEC Governance Council (GC) meetings – March 7 and April 4. Every month an advisor comes in to speak and she shared a quote from one of those presentations. She advised that the CEC is working with District maintenance staff to build a pavilion from funds they received from a fundraiser. They continue to work on Sources of Strength. They had game night, movie night, and the annual Gala is June 22. There was a culture and values survey sent which resulted in three areas being highlighted. Currently, the GC is reviewing the CEC contract with the District and will be coming to the full Board for the yearly review. In addition, four grades are affected by the lottery which will be held April 17.

She advised the WRCCS Summit is scheduled for June 16 and 17 and all are invited to attend.

School Board Election Results:

Board President Brooks advised that the School Board election was uncontested. He was re-elected to his own seat and Nicolas Genske, who was previously on the Board for one year, will be returning and replacing Dale Feldt.

Finance Committee Meeting:

Chairperson Dale Feldt advised that the Finance Committee met on April 3, 2025, to discuss several items. The first item was the renewal of the District's health insurance. It was originally thought that there would be a 10% increase but after further negotiations, Director of Business Services Mr. Moore was able to secure a 0% premium increase with Group Health Trust for the 2025-2026 renewal period. There will be no plan design changes other than the federally required increase to the High Deductible Health Plan deductibles. In addition, the District will remain with Delta Dental for both the dental insurance as well as the vision insurance with no plan design changes and no premium increase. Mr. Moore was able to obtain the 0% increase thanks to staff being diligent about their healthcare.

A motion was made by Dale Feldt, per Committee recommendation, to approve the 2025-2026 healthcare renewal with Group Health Trust, with a 0% premium increase and the federally mandated adjustments to the High Deductible Health Plan (HDHP) deductibles as presented; and to approve Delta Dental as the District's 2025-2026 self-funded dental insurance provider and vision insurance provider with no plan design changes and no premium increase as presented. The motion carried unanimously on a voice vote.

The Committee also discussed the renewal of the busing contract with GoRiteWay. Mr. Moore advised that the District has contracted with GoRiteWay since 2018 and shared the comparison of increases given compared to the CPI each year. The District wants to continue its relationship with GoRiteWay, and requested that he along with Mr. Gerlach and Mr. Flaten be approved to negotiate with GoRiteWay to finalize a contract which will then be brought to the full Board for final approval.

A motion was made by Dale Feldt, per Committee recommendation, to approve the Director of Business Services and the District Administrator to finalize the contract negotiations with GoRiteWay and continue working with GoRiteWay for the 2025-2026 through 2029-2030 school years as presented. The motion carried unanimously on a voice vote.

Mr. Feldt advised that the Committee discussed the possibility of establishing a Fund 46 Long Term Capital Improvement Trust Fund which is similar to a savings account. It allows the District to spend money without spending money and not carry over funds, thereby increasing the amount of state aid the District would receive. The monies in Fund 46 cannot be used for five years and can only be spent on capital improvement projects.

The Committee was also provided with an update on the defeasance – everything has been completed and payments have been made, resulting in a savings to the District in interest of \$287,112.

Consent Agenda:

A motion was made by Dale Feldt and seconded by Bob Adams to approve the items of the consent agenda as presented.

Financial Reports:

Accounts Payable</

Minutes7725

School Nutrition Employee Week is April 28-May 2nd and School Lunch Hero Day is May 2nd.
Donations:
Mr. Moore advised of the donations made to the CEC from Chelsey Bobbe and the Bob Welch Estate; the donation to the District from the Alan and Jodi Fox Family Foundation, Inc.; the donation to the WHS Auto/Transportation Department from the Generac Company, the donation to the Trap and Skeeet Club from Premier Community Bank of Waupaca; and the many donations to WHS SADD Post Prom from various individual community members and business organizations. A motion was made by Lori Verhalen and seconded by Molly McDonald to accept, with gratitude, the various donations as presented. The motion carried unanimously on a voice vote.
A special thank you went out to SADD Advisor Brenda Plum for all of her hard work and many years of coordinating the Post Prom event. She will not be continuing in this role next year so a new SADD Advisor will be needed. Board members Dale Feldt and Ron Brooks offered to help with the event next year.
Monitoring:
Student and Staff Wellness (Past, Current, and Future):
Director of Student Services Laurie Schmidt provided an overview of student and staff wellness opportunities available District wide and at each building level. She highlighted four major areas: mental health and social emotional health; family resources; health screenings, and wellness presentations for students. She noted that the District has very robust special education and student services teams and they have strong working relationships. All these pieces help to prepare us for events such as the one that occurred recently. Several of the Board members noted the importance of preparedness and expressed their appreciation to Ms. Schmidt and her team on the way they handled the recent tragedy.
Administration:
Wage Increase for District Employees:
Director of Business Services Austin Moore advised that salaries and benefits comprise a significant portion of the District's budget, and we want to ensure we are competitive in the marketplace for high-quality employees. Therefore, he recommended a salary increase of the statutory limit of the Consumer Price Index (CPI) of 2.95% for the teacher salary matrix for the 2025-2026 school year. It was noted that not every certified staff member on the salary schedule will receive a 2.95% increase because the total allowable wage increase includes movement on the salary schedule (step and lane), with the remaining then applied to the salary matrix for certified staff.
In addition, he recommended that Administration and District Office staff, as well as all food service, maintenance, custodial and educational assistant positions receive a 2.95% increase as well. The athletic/non-athletic extracurricular pay will remain at the same level for the 2025-2026 school year, but it was noted that this was looked at next year.
A motion was made by Lori Verhalen and seconded by Bob Adams to approve the statutory limit of CPI, a 2.95% salary increase for the teacher salary matrix for the 2025-2026 school year as presented. The motion carried on a 5-0-1 voice vote, with Board member Dale Feldt abstaining because he has family members who are teachers in the District.
A motion was made by Dale Feldt and seconded by Molly McDonald to approve a 2.95% wage increase for Administration and District Office Staff for the 2025-2026 school year as presented. The motion carried unanimously on a voice vote.
A motion was made by Betty Manion and seconded by Molly McDonald to approve a 2.95% wage increase for all food service, maintenance, custodial, and educational assistant positions for the 2025-2026 school year as presented. The motion carried unanimously on a voice vote.
A motion was made by Betty Manion and seconded by Lori Verhalen to approve that all athletic/non-athletic extracurricular pay remain at the same level for the 2025-2026 school year. The motion carried on a 5-0-1 voice vote, with Board member Dale Feldt abstaining.
Adjournment Into Closed Session:
A motion was made by Lori Verhalen and seconded by Betty Manion to adjourn into closed session pursuant to Wis. Stats. § 19.85(1)(c). Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility. Specifically, to review new Administrator Contracts for the WLC Associate Principal and the Director of Teaching and Learning. The motion carried unanimously on a roll call vote at 6:34 p.m.
Reconvene in Open Session to Consider Action on Matters from Closed Session:
A motion was made by Dale Feldt and seconded by Lori Verhalen to reconvene in open session to consider action on matters from closed session. The motion carried unanimously on a roll call vote at 7:10 p.m.
A motion was made by Dale Feldt and seconded by Molly McDonald to approve the Administrator Contracts for WLC Associate Principal Kelly Koch and Director of Teaching and Learning Steve Thomaschefskey as presented. The motion carried unanimously on a roll call vote.

Olivia Zielke sets up Manawa softball for playoff run

BY NICK GRIESBACH
SPORTS EDITOR

A Central Wisconsin Conference-East championship, a top 10 ranking in Division 4, and a number one seed in the WIAA softball tournament are a few accolades the Manawa Wolves have accrued to make their 2025 season exceptional. A factor in this success is sophomore pitcher Olivia Zielke.

Olivia is among the state's leaders in wins and strikeouts. Zielke is also a returning member of the 2024 All-Central Wisconsin Conference-East team.

Her older sibling's investment in athletics shaped Olivia's experience in sports, "My brothers introduced the sports to me because growing up I always had to go to their baseball games, naturally I would see them play." Zielke said of her family upbringing in softball, "I grew up with all older brothers, which meant that I started playing as soon as I could hold a bat. I was on my first team in kindergarten, which was coach pitch, and then my first softball team was in third grade, softball has always been my favorite sport, I would always beg my dad to come outside and catch for me while I'd pitch."

Olivia is also a member of the Manawa volleyball team and enjoys the team and fan interaction of both sports, "In softball, my favorite part is having the walk-up songs because it always puts everyone in a good mood. In volleyball, the best part is when someone gets an amazing hit, and everyone is going crazy and cheering."

"I would say my mental strength because I stay focused on the next thing, I moved past errors, missing a pitch location, or walking a batter. Another one is the time I've spent outside of practice and games working on my own to get better." Olivia says of her greatest asset on the field. "I always like to know any key players that the other team might have, then I try to remember where I pitched to them last time that they might've struggled to hit."

Olivia Zielke is one of the state leaders in Wins and strikeouts. Submitted Photo

Having 15 strikeouts against the previous year's state winners, Iola in the regional final in 2024 has been Olivia's most memorable career highlight to date, as she has succeeded with her preparation and keeps her habits consistent, "A superstition that I have to have the same hairstyle for every game, I've done the same one since 5th grade. I also have to hear a Morgan Wallen song before every game because he's my favorite."

Olivia credits her coaches and her graduating teammates for her growth in the sport, "I want to give a shoutout to my high school coach, Bob Pethke, who has taught me all my pitches and has made me improve more than anyone ever has, he has put more time in to help me than anyone. I'd also like to give a shoutout to the five seniors we have this year because, I've played with them since third grade, and they've always been so nice to me since I was the youngest on the team."

Manawa softball walks off with conference crown

Manawa took the Central Wisconsin Conference-East championship with a 5-4 walk-off victory over Bonduel on May 19.

Bonduel got the first run on the board as Tatum Sporisky singled to make the score 1-0.

Manawa captured the lead, 3-1, in the bottom of the third when Briley Rosin drew a walk, scoring one run, and Olivia Zielke had a two-run single.

Bonduel took back the lead in the top of the sixth inning after Haley Conrads singled to the left side of the infield, Gracyn Wudtke grounded into a fielder's choice, and Sporisky singled down the left field line, each scoring one run.

Manawa was down 4-3 in the bottom of the seventh inning when Alexis Ferg singled to drive in two runs to seal the victory.

Waupaca trap shooters receive honors

She was also presented with an Academic Award for her 4.0 GPA and trap shooting average for the 2025 season. Rylee was named to the Female First Team for all conference shoots and earned a slot on the Female Second Team at the KMC State Shoot on May 17th, 2025, breaking 87x100.

Polar Bears softball pick up win over Fond du Lac

BY NICK GRIESBACH
SPORTS EDITOR

HORTONVILLE – Resuming a game that began on May 16, the Hortonville Polar Bears defeated Fond du Lac at home on May 23.

A game they picked up the action from where they last left off saw Hortonville up 2-1 in the first inning. The Polar Bears continued to stockpile runs in the first inning.

Leah Heraly gave Hortonville a 3-1 lead with an RBI single as the game moved to the second inning.

Grace Danoski had an RBI single, and Graycin Foytik had a two-run RBI in the third inning to push the score to 6-1. The Polar Bears added one more insurance run as they finished off Fond du Lac 7-1.

SPASH split doubleheader

BY NICK GRIESBACH
SPORTS EDITOR

SPASH split two games of a doubleheader on May 22 against Wausau East.

Wausau East 5, SPASH 4

WAUSAU – SPASH made a comeback against Wausau East in their first game of the doubleheader on May 22 but fell short by a score of 5-4.

Wausau East struck first in the bottom of the first inning with an RBI single

to go up 1-0. Bodee Berversdorf hit a three-run home run to push the score 4-0.

It became a 4-1 game in the top of the fifth inning, as Stevens Point's Koy Karaliunas drove in a run to make the score 4-2.

SPASH scored two unanswered runs to tie the score 4-4 in the sixth inning before going up 5-4.

SPASH 5, Wausau East 4

WAUSAU – In the first inning, Wausau East went up 1-0, but Stevens Point took back the lead 2-1 in the bottom of the second.

In the top of the sixth inning, Wausau East took a 4-3 lead after an RBI single. SPASH tied the game 4-4 in the bottom of the sixth inning.

In the bottom of the eighth inning, Jonathan Trelka slid into home plate to score and give SPASH the walk-off win.

Amherst knocks off Warhawks in extra inning

BY NICK GRIESBACH
SPORTS EDITOR

WEYAUWEGA – Amherst got an extra-inning victory over Weyauwega-Fremont on the road to end their regular season.

Neither team scored any

runs until the seventh inning, Leah Kisting came up to bat and laid down a bunt to score a runner, as it became a 1-0 Amherst lead.

Abigail Hansen drove in the tying run for Weyauwega-Fremont in the bottom of the seventh inning with

an RBI single and sent the game to extra innings.

In the ninth inning, Makenna Orsund drove in the winning runs with a two-RBI double to put Amherst up 3-1, and the Warhawks could not respond in the bottom of the inning.

Thomas Lemanczyk-Rosholt

Rosholt baseball begins its journey in the playoffs on May 29, against Wild Rose in the WIAA Regional. A component for Rosholt to be successful in the postseason is what they can do on the mound, and Rosholt's pitcher Thomas Lemanczyk will be relied on the rest of the way.

A 2024 Second-Team All-Central Wisconsin Central-South selection, Thomas started around six years old with his father's encouragement, "My dad introduced me to baseball. My older brother plays baseball too, so he would work with both of us."

Earlier this season, Thomas achieved his most memorable career moment as an individual, "My most memorable experience in high school sports was throwing a five-inning, perfect game my senior year. I struck out 14 of the 15 batters with just 50 pitches. Our team won the game 14-0."

"I think I started high school with good study habits, so balancing academics and athletics wasn't very hard for me in high school. I've always ensured my schoolwork was done on time, and I studied for my tests to get good grades. I knew I could take all the time I wanted after that to play baseball." Thomas says of his balance in the classroom and on the baseball diamond.

Thomas says of his ability as he stares down batters at the plate, "Pitching is my favorite part about baseball because it's my way of being "in charge" of the game. It's about strategy. I pay attention to what pitches the batter has a hard time hitting, and I try to strike the batter out. I like challenging them. Pitching is rewarding. As I got older, my speed picked up, and so did the accuracy of my pitching. I got a little better each season, and that's exciting to see. I like being able to see the progress I'm making."

Looking back at his personal growth, "It feels great. I think I've grown as a person and an athlete over the years, and I've become a little better each year. As an athlete, I was able to improve my skills each year. As a person and a teammate, I feel I was able to help others improve their skills. Like I said, it's a team sport. We should all be growing and improving our skills to be our best."
