## Elcho Commencement

### NATASHA WINKLER

The Elcho High School Class of 2025 Commencement Ceremony took place at 1:00 p.m. on May 24, 2025, at the Charlie Flood Memorial Fieldhouse. The ceremony commenced with the “Pomp and Circumstance” processional, performed by the Elcho Senior High Band. Following this, the National Anthem was played by the Elcho Senior High Band, and all attendees were asked to rise and join in for the Elcho School Song.

Max Lazars delivered the Opening Address. Mrs. Deborah Hatfield from the Elcho Scholarship Committee announced the scholarship recipients. Jenna Siemers introduced the Commencement Speaker, Emily Lazars, who then gave the Commencement Address. The Elcho Senior High Band Members performed a final band performance. Hayden Zarda presented “Holding on to Memories,” which was

followed by a slideshow presentation for the Class of 2025; during this presentation, all lights were turned off, and guests remained seated.

The Administrative Address and Presentation of the Class were given by Mrs. Paige Zutavern and Mrs. Rachel Lemanczyk. Mrs. Monica Bernhagen read the graduate names. Diplomas were presented by Elcho Board of Education Members: Mr. David Visser, Mrs. Shannon Ruhland-Crum, Mrs. Christine Giles, Mr. Paul Eighmy, and Mrs. Brenda Riemer. Mr. Thomas Pahl led the turning of tassels, and Mrs. Jamie Robrecht oversaw the presentation of flowers, allowing time for pictures once all were on the risers before returning to their seats. The ceremony concluded with a Farewell Message by Sienna Mahner, followed by the “Renaissance Dance” recessional.

## Wild Ones Northwoods Gateway Chapter Native Plant Sales for 2025

We made it through another long winter and in the blink of an eye growing season is here again! Northwoods Gateway Chapter of Wild Ones will be at the Antigo Farmers Market Season Opener on Saturday, June 7th from 8 a.m. to 12 p.m. at Heinzen Pavilion to celebrate the season with an assortment of native plants for sale that would be great additions to your landscapes and gardens.

We are surprised by the number of gardeners we meet that know native plants play a vital role

in attracting, hosting and supporting native pollinators and birds. They are aware that these plants are important links to a healthy ecosystem.

If you don't have any native plants in your garden, check out the variety we offer. There's sure to be one or more that will be a lovely addition to your landscape. If you already have natives, then we're certain you'll want more! Remember that a key way to keeping pollinators in

your garden is by grouping these powerhouse plants together. The pollinators will have no reason to leave!

## POLICE

### ANTIGO POLICE REPORTS MAY 20TH, 2025

1:44 AM - 5th Ave/Clermont St: Officers were on patrol when they conducted a "Beat" check. Everything was reported as 10-2, indicating all was in order.

1:47 AM - Superior St: A self-initiated check for an open door or window at a detached building on Superior Street revealed the rear door was unsecured. However, officers quickly confirmed everything was in order upon investigation.

2:15 AM - 7th Ave: Another self-initiated check for an open door or window led officers to an unsecured north door.

6:14 AM - Forrest Rd: Police responded to a request for a welfare check.

6:18 AM - Park St: A parking complaint was received regarding a Honda Odyssey that had been parked on the southwest corner of a parking lot for three weeks. The caller, who had already spoken to staff, did not wish to have the vehicle towed but rather sought contact with the registered owner for its removal. Officers attempted to reach the owner, but neither phone number provided worked. The registered owner was later determined to be a patient, and the situation was deemed 10-2.

10:29 AM - Clermont St: Officers conducted a follow-up investigation.

10:49 AM - Superior St: An information report was filed concerning a possible stolen vehicle. A third party had indicated the vehicle might be at a specific address, but checks at both provided addresses by units 089 and 079 revealed the vehicle was not present.

12:11 PM - 1900 10th Ave (Antigo High School): A 911 hang-up call

came from Antigo High School. An open line was detected with no background noise. A callback reached a full mailbox, preventing a voicemail from being left.

1:08 PM - 112 E 5th Ave (Aspirus Langlade Hospital): A hit and run was reported where a vehicle backed into the reporting person's car in the hospital parking lot around 11:40 AM and left. The caller, who noticed the damage later at home, was unsure if the other driver was aware of the collision. The reporting person was provided information for self-reporting the accident to the DMV.

3:24 PM - Location not specified: An intoxicated individual was reported passed out in a Nissan, possibly a van, last seen heading eastbound on 5th Avenue. The reporting party stated the individual is often in this state. An officer spoke with the individual, who explained they were looking at their phone and showed no signs of impairment.

3:27 PM - 5th Ave (Chase Bank): A traffic complaint was lodged against a Dodge pickup truck that allegedly performed a "burnout," kicking up rocks and debris onto the caller's Chevy Equinox. The owner of the truck was noted to have a suspended license and had been previously warned on April 25th to reinstate it or face a citation.

3:27 PM - 8th Ave: A civil complaint was filed.

3:34 PM - 723 6th Ave (Covantage Credit Union): A follow-up investigation was conducted.

3:34 PM - 5th Ave: A welfare check was conducted, which was a reopened incident.

3:51 PM - Deleglise St: A harassment complaint was received. An individual called a company, seemingly upset about the

termination of their employment, and implied they were "going after" the company. The employee who spoke with the individual was unsure of the exact meaning of "going after".

4:08 PM - 1900 10th Ave (Antigo High School): A public relations event took place.

4:23 PM - 200 State Rd 64 (Walmart): A report was made concerning a lost, found, or damaged item. A ladies' clutch wallet containing ID and cards was reported missing after the reporting person's visit to Walmart. The police were requested to call if it was turned in.

6:29 PM - Birch St: A lockout assistance was provided for a car or home.

6:49 PM - 3rd Ave: A welfare check was performed.

7:49 PM - Superior St: A traffic stop was initiated.

8:01 PM - US 45/Huggins Rd: A traffic complaint was reported regarding a large truck heading northbound that was swerving in and out of its lane. The caller also reported the truck almost hit a mailbox. The event led to an additional traffic complaint report.

8:44 PM - Superior St (Cutlass Apartments): Officers responded to a disorderly conduct complaint.

9:46 PM - Balsam St: Assistance was provided to another agency.

10:31 PM - 2120 Neva Rd (BP Travel Center): An alarm was triggered by rear store motion. The alarm company requested to cancel the response, and contact with a key holder confirmed the alarm was to be disregarded.

PUBLISHER’S LETTER

Life’s Meaning

Dear Reader,

There’s something about growing older—about all the experiences we gather, the places we’ve been, and the people we’ve met along the way—that helps a person gain perspective. With time, our thoughts, wisdom, and knowledge begin to intertwine, forming a clearer picture of life’s meaning.

Now that I’ve reached this stage, it all makes sense. Everything that has happened—both the joys and the chaos—has happened for a reason. Even in the midst of life’s turbulence, through moments of struggle and uncertainty, there was always a way forward. And in the end, there is always something better waiting on the other side.

So take heart, my fellow travelers on this journey! Take heart because, despite the challenges, we shall prevail. Instead of dividing and marginalizing, we will embrace and uplift.

White Lake School Memorial Day Visit

MRS. JONITA SCHUMAN  
4K TEACHER, COMMUNITY OUTREACH  
COORDINATOR, LIBRARY MEDIA SPECIALIST

On May 22, 2025 two American Legion Auxiliary members, along with two local veterans, made classroom visits to grades 4K-3rd. They talked about what a veteran is, why we observe Memorial Day, taught about the poppy, and then led students outside to decorate the front of the school building with flags. Thank you to Mrs. Peterson, Mr. Lewis, Mr. Oatman, and Mrs. Heistad for taking the time to teach our students!

## The benefits to choosing a local wedding venue

**FOR MMC**

Wedding planning requires coordinating a laundry list of details that ultimately come together to make for a memorable ceremony and reception. Couples tying the knot have their work cut out for them, and one of the biggest decisions they will have to make involves choosing where to hold the ceremony and reception. Religious couples often opt for ceremonies at their churches, synagogues and mosques. Secular weddings can occur just about anywhere, with couples sometimes utilizing ceremony spaces adjacent to their reception rooms.

As brides and grooms narrow down their venue options, they may want to give strong consideration to the benefits that sticking close to home can offer. Certainly there are advantages to be had hosting a wedding at venues many miles away or even in international locations, but there are unique perks to keeping festivities local. The Knot 2025 Real Weddings Study indicated six in 10 couples chose to get married in a place where they currently live; 23 percent opted for a hometown venue; and 18 percent decided on a destination wedding. Here's a look at some of the perks of staying local.

- **Convenience:** One of the biggest benefits of a local venue is convenience for both the couple and their guests. Local venues tend to be easily accessible for those who live nearby, minimizing travel time and reducing any barriers brought on by a lack of familiarity with distant locales.
- **Familiarity:** Couples who love their hometowns and close environs may want to get married in a familiar and comfortable atmosphere. Plus, they may already be familiar with venues in the area and what they offer.

- **Expertise:** Venue staff likely live in the area or are familiar with other services close by. They can offer valuable recommendations and insights on other vendors, including what has worked before and what to avoid.
  - **Familiarity with clergy:** Couples who get married in a local house of worship likely know the religious leaders there and any support staff. This can add a particularly personal component to the ceremony.
  - **Easy payments:** Many venues require some sort of payment plan that consists of a deposit at the time of booking and a series of payments culminating with the last installment upon learning the final head count. Choosing a local venue makes it easy to stop at the reception site in person and provide such payments with ease, while getting confirmation and receipts in real time.
  - **Reduce delivery fees:** If florists and other vendors have to drop off items, they may not charge the same delivery fees if the reception site is close by.
  - **Ease returning home:** Chances are the couple will arrive at the ceremony and reception by hired car. Once the wedding is over, they'll have to find transportation back home, especially if there is a gap in time before departing on a honeymoon. Utilizing a local venue can make it easier to get home.
  - **Support of local businesses:** Choosing a local venue keeps dollars in couples' own communities, which is a great way to support businesses in the town and the people that work for them.
- There are notable advantages to getting married close to home. When planning to tie the knot, couples can give ample consideration to local venues.

sole run and pitchers Jude Hoffman, Will Darr, and Landon Quinlan combine for nine strikeouts. The Rays continued their strong start on May 11, with Cameron Williams leading the charge, going 3-3 with a double and two singles, contributing to a 6-run sixth inning. Gabriel Hilger, Jacob Voss, Isaac Rogatzki, and Jaxon Woodward pitched for the Rays.

The Rays’ winning streak extended to May 12, as Ryder Schroeffer’s “hot bat” helped secure a 12-7 victory over Tommy’s Braves. Schroeffer contributed a double, a single, and three RBIs, while Chase Muraski added a towering blast for a double and three RBIs. Pitching efforts from Cameron Williams, Ryder Schroeffer, Payton Wolf, Jordy Zupon, and Evan Kuehn kept the Braves’ bats off balance.

That same Monday night, May 12, the Cardinals and Brewers delivered a “great game of back-and-forth baseball” that ended in a 9-9 tie. The Cardinals’ offense was hot, with Mav Carter hitting a triple and a single, Will Darr a triple, and Jude Hoffman, Cash Theisen, and Jace Parilek all adding singles. Cardinals pitchers Oliver VerHagen, Will Darr, Mav Carter, Jude Hoffman, and Cash Theisen combined for 15 strikeouts.

Mid-May Showdowns

On Wednesday, May 21, the Rays continued their strong performance with a 9-4 victory over the Covantage Cardinals. Cameron Williams tied the game early with a single, and Brantley Mattek’s single in the third inning drove in three runs to flip the game, giving the Rays a 7-4 lead. Jordy Zupon, Cameron Williams, Brantley Mattek, and Chase Muraski handled pitching duties for the Rays. Brantley Mattek and Gabriel Hilger each collected two hits for the Rays, who also showed great discipline at the plate with 11 walks.

Stallions Make Their Mark  
in Tournament Play

The Antigo Stallions 9U team kicked off their season with a strong showing at a tournament in Rhinelander on Saturday, May 24, 2025, finishing an impressive second place with a 2-1 record. They started with a 9-3 win over the Hodags 9U, highlighted by Maverick Diven’s RBI single and Peyton Baker’s two-run triple. Baker, Reggie Zupon, and Eddie Brandt combined for strong pitching. In their second game, the Stallions secured an 8-5 victory over Medford, with Baker’s two-run homer being a key moment. Baker, Diven, Zupon, and Brandt pitched effectively. Their tournament run concluded with a 10-7 loss to Wisconsin Rapids, despite outhitting them 3-2.

The Antigo Stallions 11U team also had a busy May 26, experiencing a range of outcomes in their tournament play. Their first game was a close 2-1 defeat to Hodag’s 11U, a pitching duel where Cameron Williams started for the Stallions. However, they quickly rebounded with a thrilling 7-5 “nail-biter” victory over Escanaba 11U. A six-run first inning, featuring a Preston Wickersheim double, Ridge Hessedal single, and Brian Schultz triple, set the tone. Cameron Williams, Preston, Cash Theisen, Chase Muraski, and Brantley Mattek contributed on the mound.

In the semifinals, the Antigo Stallions 11U were victorious again over Escanaba 11U with a 10-6 score. Preston Wickersheim’s two-run triple and Parker Schroeder’s one-run triple in the first inning ignited a four-run rally. Preston, Jordy Zupon, and Nolan Schofield pitched for the Stallions, who collected 13 hits in the game, with Preston, Parker, Jordy, and Nolan each having two. Despite their strong tournament performance, the Stallions fell short in the championship game, losing 11-3 to Rhinelander. Preston Wickersheim hit a triple in the first, but Rhinelander’s offense proved too strong. Nolan Schofield and Preston pitched for Antigo.

Rounding out the May 26 action, the Rays faced Tommy’s Braves in a high-scoring 14-10 loss. Gabriel Hilger had a standout performance for the Rays, hitting two home runs and driving in five runs. Jordy Zupon, Gabriel, and Rj Parilek each collected two hits, contributing to the Rays’ total of 11 hits. Chase Muraski started on the mound for the Rays.

These recent games highlight the dedication and emerging talent within Antigo Little League. With strong offensive performances, clutch pitching, and exciting tournament action, the season is off to a dynamic start. Keep an eye on these young athletes as they continue to develop and compete!

Auto interior maintenance  
and cleaning tips

FOR MMC

A number of factors are involved in keeping a vehicle functioning and looking good. Ensuring a vehicle interior is clean and tidy is easily overlooked, but such efforts can improve the driving experience.

Drivers who want their cars and trucks to look their best should not forget their vehicle interiors. Drivers unsure where to start can spruce up their vehicle interiors in the following ways.

• Remove any trash

Wrappers, receipts, empty water bottles, and other items can quickly pile up inside a car, especially for drivers who have young children. Routinely go through the vehicle to gather and remove debris.

• Vacuum the interior

Start off with a can of compressed air and blow out dust and any other dirt that has accumulated in tight crevices. Then use a high-powered vacuum to conduct a thorough cleaning. Pay attention to the seams of car seats, door handles, armrests, floor mats (and under them), underneath child safety seats, and the trunk or cargo area. If you don’t have a vacuum with a lot of suction, utilize one at a do-it-yourself car wash location.

• Scrub floor mats

Drivers with rubber mats can remove them and make a mild cleaning solution of a few drops of dish soap and warm water. Use a soft-bristled brush to clean the mats. Upholstered mats can be shampooed using a carpet cleaner. Then rinse and hang to dry. All mats should be completely dry before being returned to the vehicle.

• Clean the upholstery

Seats can get dirty and dingy over time. For cloth vehicle seats, use a proper spray or foam upholstery cleaner. All-purpose cleaner can work on vinyl seats, but leather seats require a special leather soap and conditioner. Avoid products with silicone, which can stain your clothes and may make interior surfaces too slippery.

• Address glass surfaces

Turn your attention to the windshield, windows and mirrors. You can use a store-bought glass cleaner on these surfaces and a lint-free cloth. Avoid products containing ammonia, which may damage tinting on windows.

• Consider lingering odors.

If the interior of the car has an odor, the cabin air filter may need to be changed, or there may be water entering the vehicle somewhere and creating a musty smell. Seek out any problems and address. A car air freshener can further improve the interior smell.

A thorough deep cleaning can be done at least once a month to keep a vehicle’s interior fresh and clean. However, keeping up with interior cleaning and maintenance by doing small jobs regularly will reduce the need for routine deep cleaning.

Adult Only Celebration • \*\*No Carry-outs\*\*

For the past 12 years, we have had the honor and privilege of spending a few hours with many great Americans and their families. In 2009, we lost a wonderful friend and employee of 19 years, Clifford Hausmann. Clifford shared many stories with me about his time in Vietnam and his heartbreaking return home. These stories forever changed my life. What brave heroes you all are! After Clifford passed, we wanted to do something that would not only honor him but also show all of you how much we love and appreciate you. You deserve this day! We want to invite all Vietnam Veterans, their families, currently serving and non-serving Veterans and their families to come and enjoy awesome food, gifts and most of all be with the only ones who truly understand what you went through, your fellow Veterans. Let us give you the homecoming you so deserved. Thank you for allowing us to, in some small way, show our gratitude for all you have done for this great nation. We would not be here without each and every one of you. Thank you, God bless each one of you and we can't wait to see you!

Karl & Jil Schulz

We would like to honor these employees, current and retired, who are Vietnam Vets
