Special to the Advance

Carpet Medics Restoration has served Southeast Arkansas since 1993 providing services from basic carpet, upholstery, and tile cleaning to catastrophic disaster restoration. Carpet Medics Restoration's owners, Randy & Julie Phillips, have made their personal touch on every job a priority. In addition to over 50 years of combined experience, they have pursued mastering their craft of disaster restoration to the extent of the following

degrees from their industry's governing body, the IICRC:
Carpet Cleaning Tech
Hard Surface Master Tech
Oriental Rug Tech
Water Damage Restoration
Applied Structural Drying
Applied Microbial Remediation Tech (Mold Remediation)
World's Fastest Drying Tech
Fire & Smoke Restoration Tech
Odor Control Tech

as well as other organization's certifications. Applying their years of experience along with their advanced knowledge, Carpet Medics Restoration's owners and technicians have assisted home and business owners at their times of need whether dealing with flooded structures or fire/smoke damaged buildings. Owner Randy Phillips states that their goal is to solve the homeowner's problem and serve their needs first. "Although the majority of our restoration work is billed directly to insurance companies, we are there to serve the home or business owner. It is their property and we work for them. Our own home burned in 2007, so we can certainly empathize when someone is dealing with a catastrophe, big or small, in their home." Carpet Medics Restoration's sister company Phillips Mgmt & Svcs, Southeast Arkansas' premier commercial cleaning service, provides a strong resource of cleaning experts to rely on which is critical in the restoration of flooded and smoke damaged buildings. Phillips says "We have trained staff on hand at all times ready for whatever situation comes our way. If your house floods or you have fire & smoke damage, we hope you'll let us help you get through a difficult time."
