

ADVANCE -
MONTICELLONIAN

Readers' Choice

The Advance-Monticellonian is proud to present the 2022 "Best of the Best" Readers' Choice Awards.

You, the readers, have spoken. When we asked who was the best in more than 150 categories, hundreds of you responded by paper ballot and over 123,000 votes were cast on our online voting platform. Wow! That's a lot of tabulating.

While the poll is un-

scientific, it does give a good picture of who you think provides us with the best foods, businesses and services, healthcare options, and much more. Some categories had hands-down winners while others were very close, often with only a few votes separating the winners.

The main categories are:

- All Around,
- Automotive,

- Food & Drink,
- Goods & Services,
- Medical,
- Professional, and
- Shopping.

The subcategories are listed alphabetically under the main category headers, with first, second and third place winners listed beneath the subcategories.

Congratulations to all the nominees and winners from all of us at The Advance-Monticellonian!

THANK YOU!

It's that time again and Monticello Coffee Company would like to say a great big THANKS for all your votes! We couldn't do it without YOU!
