Providing quality product; quality service

Special to The Advance

Caleb Kiefhaber, the owner of Kiefhaber's Heating and Air and Mobile Home Parts, knows a thing or two about owning a business. Kiefhaber's was established over 32 years ago by his father, Pete Kiefhaber. Throughout the years he taught his children how to operate the business, and took pride in doing so. He was proud of the business he built, and would be proud of his son's work. Kiefhaber's provides HVAC and mobile home parts to all of South East Arkansas, and are focused on quality. The business philosophy is to provide a quality product and quality service. They also attribute their company's success to quality work, as well as honesty and prompt service. Caleb Kiefhaber emphasizes quality once again by giving advice to those interested in

starting a business. His advice is to work for a high quality, professional company and learn the business. When asked why customers should do business with Kiefhaber's, he said, "We have high quality technicians and large truck inventory. We are constantly sending our technicians to continuing education. We are working to make you comfortable in your home." Kiefhaber's Heating and Air is located at 6236 State Highway 114 West in Star City, and Kiefhaber's Mobile Home Parts is located at 117 Greenfield Drive in Monticello. The office phone number is (870)-628-4900.
