**Success Story:**

**Mrs. Nurline Wheat**

While living in Forrest City, Arkansas, Mrs. Nurline Wheat had a stroke. Mrs. Wheat left all her family back home to admit to Belleview Estates Nursing and Rehab because she had heard of the great therapy being provided. Upon admission, she was totally dependent with all self-care needs, used a lift to get out of bed, and was given a pureed diet. She required extensive ST, OT and PT services. A personalized plan of care was established to improve swallow, ROM, upper and lower body strength, balance, endurance, gait and self-care. At discharged, she had been upgraded to a regular diet, able to help with all self-care tasks and able to walk 75 feet with hemi walker. Mrs. Wheat stated " Everyone here was very nice and caring. My family and I made the right decision coming to Belleview."

# BJ's Stump Removal, for your stump issues

By: Halen Murphy  
reporter@monticellonews.net

If you have a stump that is causing problems then BJ's Stump Removal is the company for you.

BJ's Stump Removal is owned by BJ and Robin Knowles. They have been operating for a year with BJ himself doing all of the stump grinding, removal, and clean up.

Before they worked in stump removal, BJ worked doing pest control while Robin did banking and insurance. After 16 years working for a pest control company, BJ decided he wanted to work for himself. It was at this point when he started his own company with his wife. He has said the most important thing he has learned through starting his own company is to

stay dedicated, stay focused, and work hard. Their company policy is to always be honest and to do what they say the will. "I always do what I say I'm going to do", BJ said. "I make it my mission to make every customer 100 percent satisfied with the job I do for them."

They plan to expand their business in the future by adding employees and equipment. Their biggest hurdles are fuel prices and rain causing the ground to be too wet to work on. If their services seem right for you, give them a call at 870-510-

2301 or visit their Facebook. (Service Spotlight is a weekly advertisement highlighting local services. For more information on how to advertise, call our advertising representatives at 367-5325.)
