Successory: Mrs. Kathleen Rawls

Kathleen Rawls came to Belle View Estates Rehab and Care Center with a sacroiliac joint sprain. She was in severe pain and unable to take care of herself at home. She was only walking 50 feet with Min A and required assistance with self-care needs. Physical therapy used state of the art technology, a shortwave diathermy machine to decrease pain, promote healing, increase circulation and tissue mobility. PT and OT also worked on gait, standing balance, strength, endurance and self-care skills. Mrs. Kathleen discharged home walking 500 feet and performing all ADLs independently.

Melvin Rauls focuses on honesty, integrity

By: Kristie Nail
graphics3@monticellonews.net

Melvin Rauls, owner of Rauls Landscaping, Housepainting and Yardwork, has been around awhile. His business started out in 1996 in the Pine Bluff area, but he's since moved to the Monticello area (around 2000). The business has two employees, Melvin and Aaron Rauls.

Mr. Rauls' business philosophy is short but sweet: "A job done is a job well done."

He attributes his company's success to 'staying with it.' When life is sour or when life gives Mr. Rauls lemons he 'makes lemonade.'

Melvin says that the greatest obstacle he's had to overcome to make his business a success is not giving up and staying focused when money is low or business is slow.

Mr. Rauls hopes to see his business grow in the future. In the next year, five years or ten years, he wants to go from a small
