BJ's Stump Removal, for your stump issues

By: Halen Murphy
reporter@monticellonews.net

If you have a stump that is causing problems then BJ's Stump Removal is the company for you.

BJ's Stump Removal is owned by BJ and Robin Knowles. They have been operating for a year with BJ himself doing all of the stump grinding, removal, and clean up.

Before they worked in stump removal, BJ worked doing pest control while Robin did banking and insurance. After 16 years working for a pest control company, BJ decided he wanted to work for himself. It was at this point when he started his own company with his wife. He has said the most important thing he has learned through starting his own company is to

stay dedicated, stay focused, and work hard. Their company policy is to always be honest and to do what they say the will. "I always do what I say I'm going to do", BJ said. "I make it my mission to make every customer 100 percent satisfied with the job I do for them."

BJ's Stump Removal Pictured above is BJ and Robin Knowles. They plan to expand their business in the future by adding employees and equipment. Their biggest hurdles are fuel prices and rain causing the ground to be too wet to work on. If their services seem right for you, give them a call at 870-510-2301 or visit their Facebook.
