

Readers' Choice

The Advance-Monticellonian is proud to present the 2024 "Best of the Best" Readers' Choice Awards.

You, the readers, have spoken. When we asked who was the best in more than 150 categories, we received a number of paper ballots and over 80,000 online votes were cast.

Wow!

While the poll is unscientific, it does give a good picture of who you think provides us with the best foods, businesses and services, healthcare options, and much more. Some categories had hands-down winners while others were very close, often with only a few votes separating the winners.

The main categories are:

- All Around,
- Automotive,
- Food & Drink,

- Goods & Services,
- Medical,
- Professional, and
- Shopping.

The subcategories are listed alphabetically under the main category headers, with first, second and third place winners listed beneath the subcategories.

Congratulations to all the nominees and winners from all of us at The Advance-Monticellonian!

Thank You from the Fullers!

THANK YOU!

It's that time again and Monticello Coffee Company would like to say a great big THANKS for all your votes! We couldn't do it without YOU!

I am humbled and honored to receive the Readers Choice Award this Year for Best Elected Official. An elected leader can only be as good as the people he or she surrounds themselves with. I'm blessed to be surrounded by great city employees who are working every day to help implement our plan for a better Monticello. This award is just as much theirs as it is mine.
