Improving Quality of Life

Welcome Message from the SB-L Superintendent By Chad Janzen

I would like to welcome all of you to the Sergeant Bluff-Luton Community School District. Please keep in mind that you are here to watch young student athletes perform to the best of their ability. The student athletes competing in this contest have worked very hard to earn your respect and applause. Your positive behavior will earn their respect for you. Good sportsmanship is appreciated by the Sergeant Bluff-Luton Community Schools. We are pleased you chose to attend and support your team this evening. Please do so by refraining from negative yells or comments directed at athletes, coaches, fans, and officials or other negative acts. Negative comments and acts directed toward athletes, coaches, fans, or officials are unacceptable in this educational environment.

The Sergeant Bluff-Luton Community Schools supports the Conduct Counts programs initiated by our State Athletic Associations. We appreciate your cooperation in making this event a memorable experience for our players and coaches. Good sportsmanship is a priority at high school events. Please do not embarrass your children, team, school and community by behaving in a negative manner. What you do and say during the contest is a direct reflection of you, your team, school and community.

Good sportsmanship starts with respect . . . for yourself, your team, the opponent and the decisions of the officials. Great fans are passionate about their team while respecting the opponent and the decisions of the officials. We commend the teams and athletes competing today. High school athletic events provide each of us with an opportunity to demonstrate how much we appreciate their efforts and dedication. Together we can set the standard for Good Sportsmanship.

Enjoy today's event!
