Welcome to the 2024-2025 SSA Digest

(SSA-Digest) - Welcome to the 2024-2025 Siouxland Sports Authority (SSA) Fall and Winter Sports Digest. This is our 15th consecutive year of providing the Tri-State region with comprehensive prep and local college schedules of football, volleyball, boys' and girls' basketball, and wrestling.

We began preparations for the upcoming season's 2024 football and volleyball seasons, 2024-2025 boys' and girls' basketball and wrestling. The regional prep schedules are complete for all sports except for those schools that either share a sport with a nearby school, do not have a particular sport available at their school, or did not post their schedules.

On the college side of schedules, the NAIA schools Morningside University, Briar Cliff University are represented well. The Big 10's Nebraska and Iowa informed the Digest that their basketball and wrestling schedules would not be available by our publication date and release in late August 2024. The same with Iowa State of the Big 12.

All in all, however, we are pleased to bring you the up-to-date schedules of our regional, Tri-State sports programs, and we hope you enjoy and use this year's publication as much as you have utilized our past publications.

We wish to send out a special thank you to all of our sponsors. They have been with us since we began operations on the Digest, and thanks to each of them we have added even more sponsors. They have been loyal to us and we wish to be loyal to them. Subsequently, we provide only our sponsors with Digest copies. They in turn pass on individual Digests to their customers and visitors.

We wish to also thank the individual Athletic/Activity Directors at all of the high schools in the Tri-State region for their continued cooperation and good will in assisting us in our endeavors both for the Digest and the monthly Siouxland Sports Authority publication. Thank you.

Finally, a lot of dedicated hard work goes into putting the Digest together, so I would be remiss if I did not thank Wayne Dominowski for the Siouxland Sports Authority and Sports Authority DIGEST.

~Tim Loftus, SSA Publisher

The SSA seeks accuracy on all schedules, whether high school or college. We work with what each respective school posts on either their individual or conference sites. We also contact each school either by email or telephone or both. Overall, the majority of schedules are accurate and up-to-date. We recommend, however, that you check/verify game times and locations before embarking on a particular contest.

Schedules 2024-2025

The Siouxland Sports Authority (SSA) strives to provide complete fall and winter athletic schedules, and as such relies on individual schools and the Iowa High School Athletic Association (IHSAA). Many schools provide schedules on their individual activity websites, while the IHSAA has initiated Bound Quickstats, inclusive of all Iowa schools and their respective athletic activity schedules. The SSA has a publication deadline that falls into July of each year. At the same time, we recognize that some school schedules may not be complete or may inadvertently change. In such cases, we encourage you to contact the school and inquire as to either missing dates, or schedule changes.

Full-service HVAC contractor serving Sioux City and the surrounding community

Heating & Cooling LLC

Many heating and cooling systems rely on the air that's already in your home to control the temperature in your home. This can create stale air or a stuffy environment. With an ERV system (Energy recovery ventilation) installed you can circulate the fresh air from outside of your home without compromising the comfortable temperature. An ERV system will also help keep air pollutants outside where they belong and won't circulate them inside of your home. **Call today for a free estimate.**
