IT'S TIME TO...PLAY BALL!

By CINDY CROSBY
Cindyc4@yahoo.com

With the advent of spring, come the words many of us love to hear – Play Ball! Indeed, there are no sounds sweeter than the ting of a bat or the pop of a worn catcher's mitt as it frames a well-thrown pitch. Then there are the smells that greet you at the park – the tantalizing aroma of concessions, freshly cut grass, bug spray, sunscreen and the undeniable odor of sweat, leather and hard work.

No matter what your favorite spring sport may be, one thing is certain – Colleton County has plenty of sporting events this time of year to tempt you out of the house and off the sofa. We are truly fortunate to have such beautiful and well-maintained facilities at the Colleton County Recreation Center – especially, the Ace Basin Sports Complex. With the planned capital improvement projects on the near horizon, even greater things are sure to come for

youth sports in the county.

In the past twelve months alone, the Ace Basin Sports Complex has hosted 28 weekend tournaments – drawing visitors to stay, dine and shop in our community. Out of those tournaments, 15 were baseball and 13 were softball with an average of 20 teams attending. These two-day events bring an average of 2.3 spectators per participant – meaning not only are wins being recorded on the field but also in the cash registers of local businesses.

So, take some well-meaning advice – go visit a ball park or field this spring. While you're there, cheer loudly and positively, sign-up to volunteer and make sure to visit the concession stand. But most all, take the time to enjoy, appreciate and celebrate our youth – after all, they are our future.

Have a Great Season Players, Coaches & Families!

ACE BASIN SPORTS COMPLEX

Colleton County Parks and Recreation strives to offer healthy activities for all ages in order to encourage healthy lifestyles. By providing multiple opportunities to be active, it hopes to increase the level of fitness throughout Colleton County.

These programs consistently involve thousands of participants and hundreds of volunteer coaches. The Press and Standard encourages businesses and individuals to support these efforts by sponsoring a team, coaching a team, or simply by attending a game. By supporting the CCPR Department, you can help provide team jerseys, offset equipment costs and keep our youth active and healthy.

“HEY COACH!”

Under the Visor...with Mallory Hogan Crawford

By CINDY CROSBY
Cindyc4@yahoo.com

Coach Mallory Hogan Crawford brings a wealth of experience to the table as a first-year volunteer coach in the Angels Division, ages 9-10 years-old, for the Colleton County Recreation Department.

Previously, Crawford served as assistant head softball coach at Colleton County High School and was the head coach at Colleton Prep Academy for six years where she led the Lady Hawks to post-season playoff appearances in all six seasons. Along the way, Crawford was at the helm of four region championships, three SCISA Class A State Championships and two runner-up titles. Her teams competed in the title game every year but one: 2012.

Bell's

Like us on Facebook

SEAFOOD

HAVE A GREAT SEASON!

Bell's Seafood Market | Across from Duke's BBQ | 874 Robertson Blvd. | 843-782-4800

Crawford was also just named as the 2016 SCISA Class A Co-Coach of the Year for the High School Sports Report.

An alumni of Colleton Prep, Crawford herself played five years of varsity Lady Hawk softball and helped her team to two state championships. She went on to play Division I Softball for Winthrop University. While there, Crawford would play in two Big South Championships and see action in regionals at the University of Tennessee.

She received a Bachelor of Science from Winthrop University and is currently employed by the Colleton County School District where she serves as a Cougar New Tech Facilitator: Business/Marketing/Entrepreneurship.

Team: Hogan Appraisals

On the Ace Basin Sports Complex: The ACE Basin Complex has changed so much since I played there MANY years ago. It has improved greatly over the years. I am very excited for my daughter/kids to reap the benefits of new and improved facilities. The ACE Basin Complex is something our community should be very proud of.

Why Wear the Cap? This is my first-year coaching with the WCCRC. My daughter is ten years old and is playing in the Angels for Hogan Appraisals. I am very excited to share my knowledge of the game with our younger generation while enjoying my favorite hobby with my daughter. I decided I needed to take a step back from high school ball and focus on my family. I have coached at the varsity level since graduating college, so this is a bit different, but necessary.

On Softball: I truly love softball. I think anyone who knows me, knows that. I grew up playing at the rec when there were only three fields. I have watched the facility grow into one of the nicest in the state; however, I have seen the youth programs dwindle as a result of travel softball/baseball. I wish we could get the numbers back to where they were when I was growing up. It's important to me as a high school coach and lover of the sport for the kids to get quality instruction at a young age. This sport has given me some of my best friends, best memories, and just all around some of the best times of my life. Every kid deserves that. This is the time to get the kids involved in something meaningful. They don't just learn about the sport – they also learn about teamwork, succeeding and failing. They learn how to be prideful. What better way to spend your afternoons than with friends playing a game they can grow to love. – and a game that could take them places in life.

Outside the Lines: I have three daughters that keep me very busy. As well as a husband that enjoys spending time hunting and fishing. I try to tag along with him as much as possible. We all enjoy taking trips to our beach house in Ocean Isle, NC. It's not exactly the short 45-minute trip to Edisto, but it's our little vacation spot that we can visit any time to get away from the stresses of the day-today.

Coaching Wisdom: “Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it.” – Lou Holtz (My husband would probably disown me for that quote being a HUGE Clemson fan, but I believe every word of it.)

"HEY COACH!"

Under the Cap... with Tony Keen

By CINDY CROSBY
Cindyc4@yahoo.com

Coach Tony Keen is the head baseball coach of GrayWalk, a 9-10-year-old Minors team participating in the Colleton County Recreational League. Keen has six years coaching experience within the league. When he is not on the diamond, Keen is a firefighter and paramedic with Colleton County Fire Rescue.

Team: GrayWalk

On the Ace Basin Sports Complex: The ACE Basin Sports Complex has greatly improved its facilities over the last few years and is providing the community and youth with a lot of great opportunities.
On Baseball: I have always had a great group of kids, parents and lots of help coaching. Louie Catterton and Ryan Lyle have always been there to coach with me and they sure make it a lot more fun.
Outside the Lines: My wife Angela and I have three children – two daughters, Alexis (21) and Aspen (18) and one son Adam (10). Adam plays baseball and I move up leagues coaching as he does.
Coaching Wisdom: The best part of the game is having the opportunity to play.
Hobbies: I enjoy spending time with my family.
