Chasing the “wins” of fall

BY CINDY CROSBY
cindyc4@yahoo.com

It is hard to believe that summer is ending and the kickoff for fall athletics is upon us.

This year’s Fall Sports Preview focuses on our local student-athletes and their goals for chasing a championship.

Over the summer, our local student-athletes prepared for the upcoming season by conditioning, learning from their coaches and improving their skills in advance of season openers. No matter which sport they trained for, or which school they will compete for, one thing remained constant — effort.

Living in Colleton County, “Friday Night Lights” is special to many of us.

No matter which high school you attend, or which team you support, Friday night football games are “the place” to be on cool, fall evenings. Whether you love the game itself, or just enjoy socializing, one thing is certain — those are OUR athletes, representing OUR community.

The advent of fall sports means more than just the return of football — it also means there will be tennis matches, cross-country events, volleyball games, cheerleading and band activities. Of course, we cannot forget about youth football, soccer, fall travel sports and our beloved Saturdays filled with tailgating and college football!

So, mark your calendar using the enclosed schedules and make plans to support our local student-athletes. And always endeavor to remember these coaches and athletes have

worked hard chasing their big dreams in our small town — so please be respectful in your enthusiasm and remember it is a game where there will always be a loser and a winner.

As always, I am especially thankful for my own team at The Press and Standard, along with the many advertisers who made this publication possible. Without each player on our team, this enormous effort to highlight the athletes and the fall sports teams would not be possible.

After all, we are all just chasing our small-town dreams.

Cindy

Ground Attack

Cougar Football preparing for changes in 2018

The Colleton County Cougars have battled the rainy weather in the first days of the 2018 season. The weather has not dampened the excitement surrounding the upcoming season for returning Head Coach Coby Peeler.

The Cougars will look to improve upon their 4-7 overall finish last season and their early elimination from the AAAA Playoffs, where they fell 59-36 to North Myrtle Beach.

This year, Colleton County will compete in the four-team Region VII-AAAA against Hilton Head, Bluffton and Beaufort. In non-region competition, the Cougars will hit the road for games against White Knoll, Carolina Forest, and Camden County. They will host Lakewood, Orangeburg Wilkinson, May River and Hardeeville-Ridgeland.

"I think we've scheduled some quality opponents who are going to give us different looks on offense and defense, which is good in that it helps prepare you for the playoffs," said Peeler. "As the season goes on and you figure out what you can and can't do, it helps you play to the team's strengths. I think our schedule

will allow us to see quality teams that are well coached with good athletes. It will be a challenge for us — and that is what we want."

The Cougars hosted Stratford High School Friday Aug. 3 in a preseason scrimmage. "I was very pleased by the effort from our team," said Peeler. "They played with a lot of aggression and fire. Obviously, it is early and there are tons of things we can improve on, but from an effort standpoint, I think we are going in the right direction.

"I thought Lane West played hard up front," said Peeler. "Shykem Chisolm ran hard. Defensively, Jaden Smith had a couple of big hits and I thought James Daniels was solid on the defensive line. A lot of others contributed as well, but those guys really stood out."

"Stratford is a quality team and well-coached," said Peeler. "So, it is a great challenge for our kids and I think they responded well."

A NEW LOOK ON OFFENSE

"The guys we have are very talented, but it is a different skill set," said Peeler.

"We lost Craig Grant and a lot of talented receivers to graduation. However, we still have a lot of skilled kids, but we don't have the depth we had in those areas last season. Our depth this season is going to be up front on both sides of the ball. So, we are going to try to accentuate what they do well. We are going to be a lot more run-oriented, but we'll still spread it out and throw it some. But, we won't be able to drop back and throw it 30 times."

QUARTERBACK

"The system we are running now, there are going to be a lot of guys who take snaps," said Peeler. "As of right now, Edwardian Stansel will be in that lead role. But the type of offense we plan to run allows us to put a lot of people back there, so that we can utilize all of them. This will really help Edwardian, because in terms of experience, he is still young, and this will take some of the pressure off him. We may see Trakell Murray, Ja'Carre Stevens and Shykem Chisolm contribute by taking some snaps."

DEFENSE

"Warren Randolf did a great job in the off season and got much stronger," said Peeler. "Jaden Smith will take over at middle linebacker. He has some big shoes to fill, but he is very physical and incredibly strong with a great work ethic."

SECONDARY

"The secondary will be young, but there is a lot of talent in those kids," said Peeler.

PLAYERS TO WATCH

Ja'Carre Stevens, James Brown and Amarie Daniels.

BY THE NUMBERS

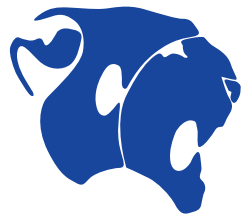

"The numbers aren't bad," said Peeler. "They are about what I expected after last season's large senior class. This year our senior class is small. Overall, we are about 20 less than last year with about 50 on varsity and 35 on JV, but we expect JV numbers to improve when school starts. We don't have any dead weight — just about everyone that is here can contribute."

Cougar Key Factors

The Playmakers

Cougars to watch in 2018...

JA'CARRE D'ANDRE STEVENS
Class of 2018

Personal Goal: To be better and stronger than I was last year.

Role Model: Tyrann Mathieu, because no matter how little or short he was, he always played the game of football with a big heart and a passion for the sport.

On balancing academics and athletics: I manage both by having a positive attitude, remaining focused, always being humble, and always planning.

Favorite Book: "Diary of a Wimpy Kid – Rodrick Rules" written by Jeff Kinney

Game Day Tradition: My favorite thing about game day is listening to a motivational speech by Ray Lewis called "52 Cards." Listening to that speech has me ready to suit up and hit the field. Once the lights turn on, I am zoned-in and ready to play some football.

Parents: Donna Grant and Keith Stevens

JALEN LEVINE
Class of 2021

Personal Goal: Be more of a leader and help the team win more games.

Role Model: My role model is probably Cam Newton because of the way he has fun with the game of football and how he gives back to his fans.

On balancing academics and athletics: I try to get most of my work done in school so my time outside of school, I can put towards athletics instead of homework.

Favorite Book and author: "To Kill a Mockingbird" by Harper Lee

Game Day Tradition: I always listen to a lit playlist before a game to get me as hyped as possible. Another tradition I do is take time away from the team to clear my head and think about all the plays I need to make and want to make. One thing I love about game day is making a big play and being able to celebrate in front of my friends and family in the crowd.

Parents: Karl and Mary Levine

EDWARDIAN STANSEL
Class of 2020

Personal Goal: My goal for the season is to be the best leader I can be and lead the team into as many as wins as possible.

Role Model: My role model would be my uncle. He taught me a lot growing up and always wanted to see me doing good and positive things.

On balancing academics and athletics: Being an athlete, my mom would always tell me education comes first; so therefore, I put my education first.

Favorite Book and author: "The Blind Side" by Michael Lewis

Game Day Tradition: On home game days, I usually listen to a song on repeat called "Dreams and Nightmares" by Meek Mills. It gets me ready and focused on the game. On the bus for away games, I listen to music but also play a game called "Word Cookies" which gets my brain flowing.

Parent: Shavon Green

LANCE CALCUTT
Class of 2019

Personal Goal: One of my goals is to finish first in the state for punt average, averaging above 44 yards with a 4.3 hang-time.

Role Model: One of my role models is my dad. He is one of the most hard-working people I know and is willing to give the shirt off his back.

On balancing athletics and academics: One way I manage athletics and academics is by having a plan — looking over the week and figuring when to do things is very important.

Favorite Book: "Where the Red Fern Grows" by Wilson Rawls

Game Day Tradition: My favorite game day tradition usually starts in warm-ups. I always begin every game by sprinting 100 yards down the field. My favorite part about game day is the rush you get when you are on the field, and knowing you're representing your school.

Parents: Drs. Andrew and Vonda Calcutt

Drawing Crowds

Colleton County Youth All-Star Football and Cheerleading kicks off season

The Colleton County Youth All-Star Travel Football and Cheerleading League, competing in the Lowcountry Youth Football League, will kick-off their 2018 season with the League Jamboree being held Saturday, August 19 in Estill.

The All-Star football and cheerleading league serves as a feeder program for area high schools and seeks to provide young players with a strong fundamental foundation while growing their knowledge of the game.

According to Cornelius Hamilton, co-commissioner of the All-Stars, the 2017 season will mark the seventh consecutive year of the local league. "As we approach the 2018 season, we're focusing on being

competitive and developing our young men," said Hamilton. "The All-Stars will be ready to go at the League Jamboree in mid-August."

For more information, contact Craig Grant at 843-635-1462.

TEAMS!

Have a safe and
fun football season!

COUGAR CHEER:

COMING SOON *to a sideline near you*

The Colleton County High School Cheerleaders are coming soon to a sideline near you and will be ready to show off their team spirit for the Cougars.

First, they will be attended a camp held at Cougar Gymnasium on August 8-11 where they will focused on learning new things to perform under the Friday Night Lights and will spent time bonding as a team.

Second-year Head Coach Meagan Driggers is excited about the upcoming season for several reasons. "Although I am always excited for the start of football season, this year is a special one as we will travel to New Orleans for the Sugar Bowl, and participate in the parade and perform during the halftime show," said the veteran coach who has 17 years of experience. "We will also compete in the new Game Time division February 16 at USC-Aiken."

"My goal for this season is the same as every season,"

said Driggers. "I want the squad to represent our school and our community well and perform to the highest level they are capable. I try to lead by example, and coach the entire person, not just the athlete."

According to Driggers, dedication will be the key ingredient in the success of the cheer program this season. "With so many new experiences on our horizon, it will take 100-percent dedication from each and every member of the squad to make these positive and successful moments for us," she said.

Senior Kash David will serve as the captain for the Cougar cheerleaders. "Everyone really takes on a leadership role at different times, but our captain, Kash, is definitely someone all the girls look up to," said Driggers. "So, I will count on her a lot this season to keep the squad motivated."

The 2018 varsity cheer roster includes Kash David,

Tierra Samuels, Sarah Ward, Adrienne Jenkins, Briana Sauls, Elise Walker, Amber Avant, Kaylee Pak, Tenia Brown, Byonka McElveen, Jalynn Davis, Ashley Goettee, Jilaysha Brown, Jiarha Pinckney and Genesis Frazier.

The cheerleaders are currently holding several fundraisers toward their trip to the Sugar Bowl. "We are currently selling CCHS t-shirts for \$5 each and have several designs for football," said Driggers. "Please see a cheerleader at a home football game to purchase one before they are gone. Also, we will be selling Double Good Popcorn in September and as well as other items throughout the season. We are also graciously accepting donations to help sponsor our trip."

To contribute, contact Driggers at 843.599-3082 or call the CCHS Athletic Office.

The Band of Blue's 2018-19 show "Roma!"

*features the music from two very distinctive
Roman musical selections.*

The Pines of Rome is a four-movement tone poem for orchestra completed in 1924 by the Italian composer Ottorino Respighi. The piece, which depicts pine trees in four locations in Rome at different times of the day, is the second of Respighi's trilogy of tone poems based on the city of Rome.

Spartacus is a ballet by Aram Khachaturian. The work follows the exploits of Spartacus, the leader of an uprising against the Romans.

Both works are very sophisticated musically and lend themselves to incredible effect and impacts for the Band of Blue.

The 2018 Band Of Blue show will feature music composed by Ottorino Respighi and Aram Khachaturian with arrangements by Tim Hinton and Cliff Walker.

Bob Buckner is the drill designer and Tracy Smith is guard choreographer.

ROMA 2018 CCHS BAND OF BLUE

Cougar Cross Country

Where are you going
and who will you leave behind?

Coach George Smith, entering his 22nd year on the job, is excited about the number of new faces he has seen in the CCHS cross country preseason – but he could still use a few more on the boys' roster.

"I am excited about the number of new people out," said Smith. "They have stepped up and I am excited for the season to begin. Our girls have qualified for the state race two years in a row — we plan to be there again on November 3. With the boys' team, we are aiming for a top 10 finish at Lower State. One of our main goals is for individual runners to improve their race times at different venues."

The Cougar Cross Country team is accepting contributions to help pay for Saturday competitions. "As far as donations go, we have to pay for each Saturday race we compete in," said Smith. "We have had individuals contribute to our team, but the biggest over the past two years has been Andy Harrison at Pavers Plus."

If anyone wishes to contribute to the team, please contact George Smith at GSmith4241@yahoo.com or call 843.539.1004.

By the numbers:
"The boys' team is looking for more athletes," said Smith. "At this point, we have 18 girls and seven boys. Both teams can still grow. The greater the competition is in practice, the better the team will be."

Male Runners:
"On the boy's side, Blaine Cook (returner), Hans Gabriel (new) and Nathan Erwin (new) have the chance for a very good year," said Smith. "We still need

to fill some slots, but we will be much improved over last year. The three new runners — Gabriel, Erwin and Evan Stroble — have stood out early in the preseason. Each will play a major part in the growth of the team."

Female Runners:

"For the girls, we have a solid seven," said Smith. "On the top of list are Abigail Altman, Grayson Altman, and Kensley Dantzler, all three were All-Region selections last year, to lead this group. If everyone is healthy – we could have the best team ever.

"New runner Sierra Obenaus stands out," said Smith. "Also, Lauren Reynolds has grown and looks so much stronger than last season. Kayla Dantzler is a fighter and will shine as the season develops. Stacey Bennett was a major surprise last year and she joined the team late."

Senior Athletes:

Wyatt O'Quinn, Kensley Dantzler and Elizabeth McLaughlin.

Key to a successful season:

"We must stay healthy and the new runners need to work hard to improve," said Smith.

Cougar Volleyball sets goal for a championship

Yvonne Duncan, returning for her third season as the Lady Cougars' volleyball head coach, has set her sights on a 2018 Region VII-AAAA championship.

After finishing the 2017 season in third place in Region VIII-AAAA with a 9-12 overall record and 5-5 in region competition, Colleton County was eliminated in round one of the 2017 SCHSL State Playoffs against North Myrtle Beach.

With a thirst for a title, Duncan will lead the Lady Cougars into a realigned region where they will face Beaufort, Bluffton and Hilton Head for that chance.

How is she planning on making that happen? By pushing the limits.

"I am the one that will push you beyond your limits," said Duncan. "I will expect more from you than you may ever have believed you are capable of."

"I am excited about the numbers and all the new faces in the program," said Duncan. "It is exciting to watch the program grow with girls that have never played and give them the opportunity to learn and fall in

love with volleyball and be proud by playing for Colleton County. The senior leadership will play a huge role in our success. These girls have helped to build the program and now is their time to shine."

The Lady Cougars will play Wade Hampton Tuesday Aug. 21 (away) in their season opener before joining CPA in hosting the PTRC Volleyball Tournament on Saturday Aug. 25 when 25 teams will participate in a one-day tournament.

OFFENSE:

"Dakari Gant will lead our offense with power and experience," said Duncan. "She is now a senior and will be a captain and leader on and off the court. She will power our offense as well as give us a strong blocking line up front on defense."

"Makenyze Hand will lead us in the middle," she said. "She has improved so much in two years and is a force that other teams will have to deal with in the middle. She will lead a strong blocking wall to other team's offense at 6-feet 3-inches. Grace Ann Cox will take over the role as setter. She is new to this position but has soft hands and makes great decisions on the court. She will have a large learning curve this year, but I have all the confidence in her and believe she will give 100 percent. She will do a great job running our offense. Emilia Crosby will be expected to give us added offense on the right side this year."

DEFENSE:

"Amiyah Robinson will lead us on the back row," said Duncan. "Her experience and foot speed cover a lot of ground. Laura Lucas will also give us added defensive skills on the back row after leading our team from the service line last year. We expect her to exceed those numbers this year."

LEADERSHIP:

"Robinson and Lucas will lead from the back row, while Gant and Crosby handle the front line," said Duncan. "I expect all my seniors to lead by example on the court and in the classroom. We have a great group of seniors this year."

KEY FACTOR:

"We need to stay healthy as a team this year," said Duncan. "If we stay healthy, we will contend for the region championship."

CCHS Volleyball Playmakers

Lady Cougars to watch...

DAKARI GANT

Class of 2019

Personal Goal: I want to form a tighter bond with my teammates and cultivate my leadership skills.

Role Model: Michelle Obama because she's very inspirational and a humble woman.

On balancing academics and athletics: I maximize my free time during school to make sure my work is done in a timely manner.

Favorite Song: "Perplexing Pegasus" by Rae Sremmurd

Game Day Tradition: My favorite thing about game days is getting pumped on the bus or in the locker room before playing. I also spend at least 10-15 minutes by myself and you'll always see me eating some kind of candy, cereal bar or mozzarella sticks before the game. I also read Philippians 4:13 on game days.

Parents: Tonika Doyle and Micheal Gant

MAKENZY HAND

Class of 2021

Personal Goal: My personal goal for this season is to get better as a hitter and to be a leader on the court.

Role Model: My mom is my role model because she has overcome so many things and is a really strong woman.

On balancing academics and athletics: I manage balancing academics and athletics by getting my schoolwork done during the free times around practices and games.

Favorite Book: "An Abundance of Katherines" by John Green

Game Day Tradition: Before a game, I like to pray to God to give me strength to play my best. I also write the Bible verse Philippians 4:13 on my right wrist, which is my hitting hand: "I can do all things through Christ who strengthens me." I feel I play volleyball better when I have God's word on my wrist to remind me that I can do all things through Him.

LAURA LUCAS

Class of 2019

Personal Goal: To finish my last volleyball season knowing I worked hard to get there and had fun doing it.

Role Model: My grandfather, through his many struggles with polio and being paralyzed, showed so much strength and resilience. Most importantly, he showed me how important it is to keep your faith in the Lord through all your trials.

On balancing academics and athletics: Work hard and stay focused on what's important; focus on one thing at a time so that I don't get overwhelmed.

Favorite Book: "The Cure" by John Lynch

Game Day Tradition: My favorite tradition on game day is listening to music with my team as we get ready for games. I love how we all goof off and have fun together as a family before we get serious and get things done.

Parents: Wayne and Ruth Lucas

War Hawks looking for redemption in 2018

War Hawk football has one word in mind for the 2018 season — redemption.

After a 4-7 overall finish in 2017, including a 49-20 loss to Pee Dee Academy in round one of the SCISA Class A playoffs, Colleton Prep is on a mission. On the first official day of fall practice held Thursday July 26, the War Hawks began working toward what fourth-year returning coach Rob Gorrell called “a season of redemption.”

The War Hawks will once again compete in SCISA Region II-A; however, their opponents will differ slightly this season: Bethesda Academy, Dorchester Academy, Northside Christian, Spartanburg Christian and Thomas Heyward.

“We have a lot of new opponents in our region, which is new for us,” said Gorrell. “We haven’t played Northside Christian, Spartanburg Christian or Bethesda in football since I’ve been coaching here. Also, Northwoods Academy is new for us in non-region action.

“Put the ball down and we’ll play whoever, wherever,” said Gorrell. “It will take a little more preparation on our part as coaches this season because region is everything. We’ve just got to have that attitude that we are ready to play.

With just 20 varsity players currently on the roster, depth could become a critical

factor in the War Hawks’ success this season. “It is the lowest number since I’ve been here,” admitted Gorrell. “We’re usually around 30. Obviously, the numbers do not look good, but I am excited. They are a great group, they get along well and they are a fun group to coach. We had an awesome spring and they worked hard this summer in the weight room. The coaching staff is as excited as they have been in a while. We are ready to get rolling.

“Everyone on our roster is going to play and get meaningful snaps — and they know they have to show up,” said Gorrell. “We have a lot of competition at positions, which is something we haven’t necessarily had in the past.

“At quarterback it has been a good little battle that started with three,” said Gorrell. “David McMillan (junior), Jordan Crosby (junior) and Drew Murdaugh (freshman) were our initial three, but we’ve moved McMillan to fullback because we need him there. Crosby and Murdaugh are neck-and-neck. Obviously, I feel comfortable with both and I have been pleased with their leadership — but now, I would like to see one step up. They are both impressive and it will likely come down to who is most consistent.”

The War Hawk Offense

“We are actually going back to what I am

more accustomed to, which means tailoring our offense around the quarterback and, more specifically, the quarterback run game by putting us in the shotgun. So, that brings in quarterback power and quarterback counter. We are going to be wishbone triple option. Scheme-wise it doesn’t change much for us — just the formation. It gets an extra blocker back there and a different guy running it as opposed to the quarterback. The schemes for the line will be virtually the same with a few changes here or there.

“Gabe Barnes (junior) will be the work horse at running back and free safety. He’s a stud and we are looking for big things from him. If our guys are going to rest, they are going to have to do it on offense.

“Riley Smoak (junior) and Francis Blubaugh (junior) will also be playing running back.

“There are three fullbacks we like and that we are going to pound with — Connor McMillan (senior), Hunter Hudson (junior) and David McMillan (junior).”

The War Hawk Defense

“Same stuff and same people. Our defensive line is our strength on defense.

“Jason Dennis and Connor McMillan could play anywhere at any level. We get

Will Dandridge (junior) back this season after missing last season due to injury, and he will contribute big at defensive tackle. Hunter Hudson and Jacob Breland (sophomore) will contribute at linebacker. Dylan Kinard (senior) will contribute in the secondary and was a very good leader for us after missing last season due to injury.”

Special Teams

Much like last season, the War Hawks continue to look for someone with a reliable leg to help their efforts on special teams. “We are going for two,” said Gorrell. “If it isn’t something that is a guarantee in my opinion, then you might as well go for it. If we can’t line up and say we’re coming this way and get three yards, then we don’t deserve the two points.

“We have to figure something out for kicking,” he said. “We have a decent little punter, but kickoffs we have to figure something out. We will not be kicking extra points unless it is an emergency.”

CPA has a scrimmage lined up against Phillip Simmons at 6 p.m. (away) Thursday Aug. 9. They will host Branchville High School Friday Aug. 17 at 7:30 p.m. in Week 0 action.

The Playmakers

War Hawks to watch in 2018...

HUNTER THOMAS HUDSON
Class of 2020

Personal goal for the season: My goal for the season is to be a good leader for my teammates as well as setting examples for all the younger players on the team.

Leadership: I believe the traits that define a good leader are sportsmanship, humility, optimism and resilience.

Game Day Traditions: On game day, I like to have the same routine every Friday, all day, until game time.

Parents: Mike and Kim Jackson

GABE BARNES
Class of 2020

Personal Goal: To lead the team in interceptions this season.

Role Model: My role model is Marcus Lattimore because he was a competitor on and off the field and always gives back to his community.

On balancing academics and athletics: I usually do my schoolwork before practice in the afternoon.

Favorite Book: My favorite book is "Friday Night Lights" by Buzz Bissinger.

Game Day Tradition: Before the game I usually listen to music, but my favorite part is the bus ride before we run out on the field.

Parents: David and Wendy Barnes

DYLAN KINARD
Class of 2019

Personal Goal: One of my goals would be to make All-Region this year.

Role Model: My dad is my role model. He has coached me in every sport I have played. One thing he has taught me is to be the best I can at everything I do.

On balancing academics and athletics: I study every chance I get.

Favorite Book: "Friday Night Lights" by H.G Bissinger.

Game Day Tradition: My game day tradition is to eat breakfast at Bojangles, listen to certain types of music, the way I dress out before a game, and I always walk the field.

Parents: Bill and Vicki Kinard

WILL DANDRIDGE
Class of 2020

Personal goal: I would like to make all-region.

Role Model: My dad, because he has always pushed me, whether it was academics or athletics. Also, the success he had on the field when he played and now the success he has off the field.

On balancing academics and athletics: The hardest thing is time management. I try to study between the end of school and the start of practice.

Favorite book: "The Outsiders" by S.E. Hinton.

Game Day Tradition: Eat as a team, listen to music and look over the plays.

Parents: Jason and Jean Dandridge

CONNOR MCMILLAN
Class of 2019

Personal Goal: I would like to be the lead rusher for our team.

Role Model: My role model is my father.

On balancing academics and athletics: I manage academics and athletics through many late nights of work.

Favorite Book: My favorite book is "Fahrenheit 451" by Ray Bradbury.

Game Day Tradition: Before every game, the whole team gathers around and we touch two people, then recite the Lord's Prayer.

Parents: Jason and Jennifer McMillan

JASON DENNIS
Class of 2019

Personal Goal: To be recognized as All-State defensive end

Role Model: My role model is my father because he has an incredible work ethic and is selfless in all that he does.

On balancing academics and athletics: Education comes first. I get my work finished, then focus on football.

Favorite Book: "Of Mice and Men" by John Steinbeck

Game Day Tradition: I always listen to rock music prior to the game to get into my zone and read over my playbook. I take one lap around the field to mentally prepare for the game.

Parents: Del Dennis and Michele Miranda

CPA Cheer rules the sidelines

“Communication and commitment will be the key to a successful cheer season.” – Chancey Padgett, CPA Cheer coach.

The Colleton Prep Cheerleaders will be under the direction of a new coach this season, but one that is very familiar with the War Hawk’s sidelines.

Chancey Padgett, a CPA teacher and former War Hawk cheerleader herself, begins her first season as the varsity head coach. Formerly, Padgett served as the Teeny Hawk, Wee Hawk and Elementary Squad coach.

“When I cheered in high school, I always looked forward to football season,” said Padgett. “I couldn’t wait to cheer on Friday nights. There is something special about being in the center of the crowd cheering during the football game. My goal is to foster their love for cheerleading, which allows them to feel that excitement and boosts their

self-confidence. We, as a squad, are aiming to enhance school spirit and draw crowds out to see our football team play.

“So far, this squad is showing great potential,” said Padgett. “Their routines are looking sharp and we are working on various stunts. I can’t wait for everyone to see how hard these girls have worked this summer.”

Mollie Warren will serve as the captain for the 2018 season. Co-captains are Elizabeth Anne Dean and Gracie Griffin. “I will be counting on these captains for team leadership throughout the season,” said Padgett.

Lady Hawk Volleyball to rely on power and experience

“Attitude is a little thing that makes a big difference between volleyball success and volleyball failure.” – Coach Ashley Finney, who returns for the eighth season as the Lady Hawk’s head coach.

The Colleton Prep varsity volleyball team might be small, but they will be powerful and experienced heading into the fall.

After a 12-5 overall finish in 2017, and an early elimination from the SCISA IV-AA playoffs, the Lady Hawks will return their core starters. In SCISA realignment, the Lady Hawks will move to Region II-A where they will compete against Andrew Jackson, Clarendon Hall, Dorchester Academy, Holly Hill Academy, Jefferson Davis, Patrick Henry and St. John’s Christian. Identified as the Region II-AA Flex, CPA could compete post-season with the larger classification.

As a bonus, Coach Ashley Finney

returns in her eighth season as the Lady Hawks’ head coach.

“We are a small team, but we have a lot of power,” said Finney. “We serve and hit relatively well. I think our offense is really going to shine this year and will be the key factor in the success of our season.

“Our goal is always to make it back to the playoffs, and ultimately make the big game,” she said. “I also want to make sure I push the girls hard, since we have to play a lot of Class A teams this year. I want to make sure they stay competitive, since ultimately in the playoffs, we would compete in Class AA.

“Langley Harter’s hits get harder and

harder every year,” said Finney about her lineup. “I look for her to put down a lot of kills. Of course, this cannot be accomplished without our setter Emily Wilson, who did a great job for us last year. Ella Nolte also put up big offensive stats last season and I look for her to contribute a lot as well. I also look for many serving aces from Jessica Hughes. Taylor Tomedolskey is new to the team this year from JV and is also settling in well at middle hitter.”

On defense, the Lady Hawks will look to veteran Weslin Jones. “Defensively, I always look to Weslin,” said Finney. “She puts a lot of effort into her defensive efforts and gets to balls no one else can. With height, I look to Ally Crook to put some

blocks on the stat sheet. Also new to the team is Rachel Wright who will be used mostly for defensive purposes this year.”

CPA will start the non-region schedule with Thomas Heyward Tuesday Aug. 21 (away) and John Paul II (away) Thursday Aug. 23. Once again, CPA will join CCHS in hosting the PRTC Volleyball Tournament on Saturday Aug. 25 with locations and participants to be announced soon.

The Lady Hawk’s 2018 roster includes Langley Harter, Emily Wilson, Weslin Jones, Taylor Tomedolskey, Ella Nolte, Jessica Hughes, Ally Crook and Rachel Wright.

CPA Volleyball Playmakers

Lady Hawks to watch...

LANGLEY HARTER
Class of 2020

Personal Goal: I want to get far in the playoffs and hopefully bring home a SCISA state title.

Role Model: I don't have one, really. I tend to be my own person and take my own paths!

On balancing academics and athletics: I usually focus on academics before athletics, but I can manage to balance them equally.

Game Day Tradition: A few teammates and I always get Sonic before an away/home game! Also, we always listen to loud music because it helps us get hyped and ready to play.

Favorite movie: "The Waterboy."

Parents: Emily Warren and Stephen Harter

WESLIN JONES
Class of 2021

Personal Goal: My personal goal for the season is to win it all and bring home the state title!

Role Model: My travel softball coach Katrina Moffett. She's taught me many life lessons and helped me as an athlete and an individual.

On balancing academics and athletics: My goal is to get all of my schoolwork done before games and practices.

Favorite Book: "The Fault in Our Stars" by John Green.

Game Day Tradition: Our game day tradition is saying The Lord's Prayer before every game.

Parents: Wesley and Sonda Jones

Machine Tool Technology • Welding

WE NEED YOU!

THESE COMPANIES NEED SKILLED WELDERS NOW:

METAL TRADES • TICO • ROSENBLUM MACHINE TOOL • SMITH IRON

You do not have to attend a 2 or 4 year college to start a career. At Palmetto Training we help meet the challenges of manufacturers by creating specialized training programs. We will train you to be a Welder in 18 weeks or less; then put you to work. Over 99% of our students are hired. And they start at \$15-\$16 per hour. If welding is not your thing, we have other courses that will put you on the right career path. **PLEASE CALL US TODAY!** We have done this for others... We want to talk with you!

Lady Hawks let the racket do the talking

After a 6-3 finish last season in SCISA Region IV-AA and a round one playoff loss to Palmetto Christian (5-4), the Colleton Prep Lady Hawk Tennis team will return its top players to the court in 2018.

The Lady Hawks will make a conference move this season competing in Region II-A against Andrew Jackson, Clarendon Hall, Dorchester Academy, Holly Hill Academy, Jefferson Davis, Patrick Henry and St. John's Christian. However, CPA is identified as the Region II-AA Flex, which means they could compete post-season with the larger classification.

Senior Meredith Ware will return as the Lady Hawks' No. 1 after being named 2017 Region IV-AA Player of the Year in tennis. Rianna Bailey (sophomore) earned All-Region recognition, and both Ware and Bailey were honored in All-Lowcountry selection. Ware will serve as the team captain and Bailey as co-captain.

The Lady Hawk Tennis team will be under the direction of first-year Head Coach Rebecca Hooker. Allen Griffin will return for his second season as an assistant.

"Although this is a young team overall, I am excited that six of our nine players are returning with at least one year of varsity tennis experience," said Hooker. "In addition to Ware and Bailey, we have Becca Martin (8th), Sidney Bailey (7th), Kaylee Spears (8th) and Gracie Bishop (8th). It has been great to have six girls that are match-ready as far as fundamentals and knowledge of the game. They all continue to improve their consistency with each practice and I am excited about the potential they are showing.

"Becca has been playing some junior tennis this summer and it has shown in these early practices, as she has been hitting the ball really well," said Hooker. "Sidney, Kaylee, and Gracie have all been holding their own as well when we have played some points out during practice.

"We will look to Meredith and Rianna for leadership both on and off the court," said Hooker. "I have been very pleased with both girls' play in practice, as well as the encouragement they have shown to the younger players. The success of our team is going to largely depend on the continued development of our younger players, and our veteran players play a big role in this development through supporting the younger girls as well as hitting with them."

Joining the Lady Hawk's roster for the first time this season are sixth-graders Ann Hatcher White, Makayla Odum and Reese Carelock. "All three are working hard in practice and have great enthusiasm for learning the game," she said. "We are excited to see how they continue to improve this season."

The Lady Hawks will begin their season August 23 in a home match versus John Paul II.

The Playmakers

Lady Hawks to watch...

RIANNA KHRYSTYNE BAILEY
Class of 2021

Personal Goal: My personal goal for the season is to hold myself in a positive manner during all my matches and throughout the season.

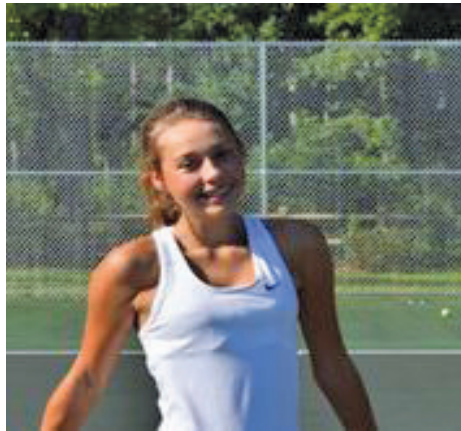

Role Model: My role model is Serena Williams. Not only is she a great tennis player, but she stands firm in what she believes in.

On balancing academics and athletics: School comes first before anything. I try to do all of my schoolwork before any of my athletic events.

Favorite Book: My favorite book is "Wonder" by R. J. Palacio.

Game Day Tradition: My game day tradition includes going to the court early so I can get a head start before the other team arrives. I also hydrate all day, especially on game days.

Parents: Brent and Rhonda Bailey

BECCA MARTIN
Class of 2023

Personal Goal: I'd like to win my singles match in the first round of the SCISA State Playoffs.

Role Model: My parents because they push me to be my best every day.

On balancing academics and athletics: Academics always come first, it's that simple.

Favorite Book: "A Wrinkle in Time" by Madeleine L'Engle

Game Day Tradition: I grab a sweet treat from The Loop, listen to music and do my homework on the way to our matches.

Parents: Christy and Tiger Martin

MEREDITH WARE
Class of 2019

Personal Goal: My personal goal is to go undefeated.

Role Model: Penelope Tuten is my role model because of her determination on and off the field to accomplish her goals. She has a charismatic personality that is contagious to everyone around her.

On balancing academics and athletics: Academics should always take priority over athletics.

Favorite Book: "The Great Gatsby" by F. Scott Fitzgerald

Game Day Tradition: My game day tradition is getting a pack of sour gummy worms from Christy Martin.

Parents: Jeremy and Sharon Ware

Z560x
\$9119⁹⁷

Z560
\$6879⁹⁶

The Husqvarna Z500 series zero turn mower represents the latest design focused on productivity, durability and cut quality. Providing extreme comfort, high ground speeds and superior traction adds up to exceptional mowing efficiency. Industrial strength throughout the entire design assures of a long & durable service life in commercial mowing applications. Careful design consideration provides unprecedented ease in serviceability.

MZ 61
\$4795⁹⁵

Kawasaki engine. 61 in. commercial cutting deck with cast iron spindles. Commercial Hydro-Gear ZT3100 Transmission. Free roll bar upgraded seat.

120i

Light, convenient saw with Li-ion battery. Tool-less, easy-to-start and with intuitive key pad. 40v, bar length 14 in., 6.6 lbs. excludes battery. Chain speed 37.73 ft/s.savEe™ for maximum runtime. Includes battery charger.

320iB

Low noise operation and zero direct emissions mean it is ideal for work in sensitive residential, indoor or enclosed environments. Intuitive cruise control helps users set and maintain the correct air volume, leading to extend run time.
