Borrell's Chart of the Week 7/16/2018

# What's Most Popular with SMBs

Asked of 2,2112 local advertisers: Which of the following types of marketing do you use?

**Borrell's Take**

Surprise! "Old" forms of advertising populate this list more than digital media does. In fact, newspapers ads are a more popular choice than any other form of digital marketing except social media, and radio advertising is used by more SMBs than search marketing and banner ads.

It points to the importance of having a good media "mix" in marketing. And let's not forget No. 1 on this list: Social Media, which has become ubiquitous.

In today's **FAST-PACED** business environment, you need a good media "mix". You need the P&S.
