Borrell's Chart of the Week 7/16/2018

What's Most Popular with SMBs

Asked of 2,212 local advertisers: Which of the following types of marketing do you use?

Social Media Adv	78%
Newspaper	67%
Email Mktg	56%
Event marketing	50%
Direct Mail	48%
Radio	44%
Search Engine Marketing	40%
Banner Adv	37%
Other Print Pub	36%
Magazine Adv	35%
Online Directory Listing	33%
Printed Directories	33%

Borrell's Take
Surprise! "Old" forms of advertising populate this list more than digital media does. In fact, newspapers ads are a more popular choice than any other form of digital marketing except social media, and radio advertising is used by more SMBs than search marketing and banner ads. It points to the importance of having a good media "mix" in marketing. And let's not forget No. 1 on this list: Social Media, which has become ubiquitous.
