Fresh ideas for a fun fiesta menu

SWEET MEETS SPICY

FAMILY FEATURES

There's no better way to spice up a party than by using unexpected ingredients in fun, flavorful dishes and drinks. For your next fiesta, celebrate a star of the party with sweet and juicy watermelon.

Not only does versatile watermelon lend a unique taste to your menu, it's a healthy ingredient that provides natural hydration with 92 percent water content, along with the antioxidant lycopene and the amino acid citrulline.

These recipes show how, with a little creative carving, you can use the whole melon, including flesh, juice and rind, for big value and zero waste.

Blended Watermelon Margarita

Watermelon Margarita on the Rocks

Nachos with Watermelon Avocado Salsa

Watermelon Margarita on the Rocks

Makes: 2 margaritas

Watermelon Simple Syrup:

- 2 cups seedless watermelon, cubed
- 1 cup sugar

Watermelon Juice:

- 2 cups seedless watermelon, cubed
- 1/2 cup water

Margarita:

- lime wedges
- coarse salt
- ice
- 4 ounces silver tequila
- 4 ounces watermelon juice
- 2 ounces lime juice
- 1 ounce watermelon simple syrup

To make watermelon simple syrup: In small saucepan over medium heat, combine watermelon and sugar. Use potato masher to mash watermelon and sugar together, pushing out liquid and dissolving sugar. Simmer 5 minutes, stirring frequently. Pour mixture through fine mesh sieve set over bowl or jar, pressing watermelon to extract all liquid. Set aside to cool completely.

To make watermelon juice: In blender, combine watermelon and water. Blend until smooth then pour through fine mesh sieve set over bowl or jar.

To assemble margaritas: Use lime wedge to line rims of two glasses with juice. Dip glasses in coarse salt and carefully fill glasses with ice.

Combine tequila, watermelon juice, lime juice and simple syrup in cocktail shaker with ice. Shake until thoroughly chilled, about 30 seconds, and pour into prepared glasses. Garnish with lime wedges.

Nachos with Watermelon Avocado Salsa

Makes: 8 servings

- 1 avocado, peeled, seeded and chopped
- 2 teaspoons lime juice
- 1/4 cup chopped cilantro
- 1 minced garlic clove
- 1 can (4 ounces) diced green chilies, drained
- 2 tablespoons diced red onion
- 1 1/2 cups diced watermelon
- 16 ounces fat-free refried beans
- 11 ounces corn tortilla chips
- 1 1/2 cups sharp cheddar cheese, grated
- 1/3 cup fat-free sour cream

Heat oven to 350 F.

To make salsa: In medium bowl, combine avocado, lime juice, cilantro, garlic, chilies and red onion; toss to thoroughly mix. Add watermelon and toss gently. Set aside.

Over medium heat, heat beans until hot. Mash if preferred.

Place chips on flat, oven-proof plate or cookie sheet and top with beans and cheese. Repeat layers as desired. Heat in oven 10 minutes, or until cheese has melted and chips are hot.

Top with salsa mixture and sour cream.

Tip: Reserve some salsa to place in bowl for dipping.

Cactus Carving

Medium-large oval or oblong watermelon (seeded or seedless)

Cutting board

Paring knife

Dry erase marker

Kitchen knife

Scoop

Cactus cookie cutter

Small flower cookie cutters

Toothpicks

Fire and Ice Salsa (recipe below)

Wash watermelon under cool, running water and pat dry.

On cutting board, place watermelon on its side and cut off 1/4 inch-1/2 inch from stem end; this will provide a sturdy base. Reserve end piece to make into small cactus.

Stand watermelon upright on base. Use dry erase marker to draw simple outline of cactus shape.

One-third up from bottom of watermelon, draw straight line around back, being careful not to go through cactus outline; this will create a serving bowl for watermelon salsa.

Use kitchen knife to cut around outline, leaving just bowl with cactus attached. Scoop out base to form bowl.

From pieces of watermelon that were cut away, use cookie cutters to make cactus pieces and flower pieces to decorate with, and chop remaining watermelon to make watermelon salsa and watermelon margaritas, or juice.

Attach toothpicks randomly around cactus to make thorns and decorate with watermelon flowers. Decorate bottom rind scrap with toothpicks to resemble short, round cactus.

Fill bowl with Fire and Ice Salsa and serve with tortilla chips.

Fire and Ice Salsa

Makes: 3 cups

- 3 cups seeded and finely chopped watermelon
- 1/2 cup finely diced green peppers
- 2 tablespoons lime juice
- 1 tablespoon chopped cilantro
- 1 tablespoon finely sliced green onion
- 1-2 tablespoons finely diced jalapeno peppers

Combine ingredients; mix well and cover. Refrigerate at least 1 hour before serving.

RECOGNIZING TODAY'S LEADERS

The Press and Standard is currently working on a special publication honoring Colleton County's top 10 leaders over the age of 40 and 10 leaders under the age of 40. Help us recognize "Colleton County's Local Leaders" by contributing a short story of individuals you feel deserve to be featured.

Who are Colleton County's top leaders? We invite you to ask your co-workers, friends, and family this question over the next 2 months. Consider civic and religious groups, local industry and retail, police officers, educators, health professionals - if you know anyone who is making Colleton County a better place, we want to hear about them.

Deadline for nominations is June 3, 2019; nominees must live in Colleton County and be in the age range. Email nomination to editor@lowcountry.com. Include the person's name, age, hometown, plus a paragraph of 400 or less on why we should include him or her.
