SUMMER ISN'T FUN FOR ANIMAL SHELTERS

Every year from May until September, animal shelters in the south are crippled by the number of animals that come through their doors. Colleton County is no exception. Despite all of the wonderful work that is being done, we have taken in far more pets than we have space for. Since May 1st, of the 525 pets we've taken in 87 were puppies and 167 were kittens. That's 50% of our intake! For 6 years, Friends of Colleton County Animal Shelter has offered low cost spay/neuter options to pet owners. If you know someone who needs these services, please refer them to our shelter or FoCCAS so that we can prevent unwanted litters at our shelter in the future and reduce the number of homeless pets in our community.
