**PRTC**

**THREE FOR FREE**

LIMITED TIME OFFER- We'll increase your Internet speed to 50 Mbps FREE for 3 months!

Call to Sign Up Today! 843.538.2020 | PRTC.US

\*Limited time offer. Residential subscribers only. FREE Internet speed upgrade is based on your current subscribed PRTC Internet speed. Your speed will be increased to 50 Mbps for FREE for 3 months. At the end of the 3 months period, the rate will increase to the then current price. All services/speeds not available in all areas. There are many factors that may cause actual speeds to vary that are outside of our control, such as equipment used and external network conditions. Must be a PRTC high speed fiber Internet subscriber. Only available in fiber areas.

(Culinary.net) When it comes to dessert, it's hard to beat chocolate as the main ingredient for dishes of all kinds. Add a twist to your next treat with the sweet taste of caramel in this Chocolate Caramel Pie.

Find more dessert recipes at [Culinary.net](http://Culinary.net).

**Chocolate Caramel Pie**

1 package (15 ounces) pie crust

Filling:  
24 caramels, unwrapped  
1/3 cup water  
2/3 cup brown sugar  
2/3 cup sour cream  
1 teaspoon vanilla extract

2 eggs, beaten  
1/2 cup walnuts, chopped  
1/3 cup grated sweet baking chocolate, divided

**Topping:**

1 cup white chocolate chip morsels  
1/4 cup milk  
1 cup whipping cream  
2 tablespoons grated sweet baking chocolate

Heat oven to 450 F. Prepare pie crust in 9-inch glass pie dish. Bake 8-9 minutes, or until lightly brown.

To make filling: In medium bowl, combine caramels and water. Melt in microwave, stirring frequently. Stir in brown sugar, sour cream, vanilla extract, eggs and walnuts.

Reduce oven to 350 F. Pour filling into cooled pie shell. Return to oven. Bake 30-40 minutes, or until edges of filling are set.

Cool 15 minutes. Sprinkle 3/4 cup grated chocolate over pie. Refrigerate 2 hours.

To make topping: In small glass bowl, combine white chocolate morsels and milk. Melt in microwave, stirring frequently. Set aside.

In small bowl, beat whipping cream until peaks form. Fold in melted white chocolate mixture. Spread over cooled filling. Sprinkle with remaining grated chocolate.

Refrigerate until ready to serve.

(Family Features) Bringing over family and friends for a backyard barbecue is a classic way to show appreciation to loved ones. Celebrate the summer by grilling steak, one of the most popular meals for a cookout.

Almost nothing beats a steak hot off the grill, and ribeyes are one of the most popular and flavorful cuts. Remember, though, not all ribeyes are the same. Learn about the differences from the experts at Omaha Steaks:

**Classic Ribeye**

The classic ribeye is rich and well-marbled, a true steak-lover's steak with flavor that multiplies as marbling melts during cooking, creating buttery richness and irresistible steak flavor. A classic ribeye is easy to cook on the grill, in a pan or seared and roasted in the oven, and it's easy to season since the rich beef flavor doesn't require much help.

**Bone-in Ribeye Cowboy Steaks**

A Private Reserve Bone-In Ribeye, often called the "Cowboy Steak," features flavor and tenderness with plenty of marbling for a signature ribeye taste. The bone-in cut not only lends even more flavor and extra juiciness, it makes for a striking presentation on a special occasion. Season lightly to let the steak's natural flavors really shine, and have big plates ready to make a big impression.

**Omaha-Cut Ribeye**

This robust, richly-marbled ribeye is tall and thick, a distinct

steak shape you normally find only in filet mignon. The cut, which is available exclusively from Omaha Steaks, combines the tender texture of the filet with the traditional rich, buttery ribeye flavor that makes it a steakhouse favorite. These juicy, flavorful ribeyes cook well thanks to their thicker size, which allows for a more uniform distribution of heat.

**Ribeye Crown Steak**

A melt-in-your-mouth steak, the Private Reserve Ribeye Crown Steak is uniquely high in both tenderness and rich ribeye flavor. It's cut from the richest, most buttery portion of the ribeye, and that intense marbling deepens the signature ribeye flavor while extra aging enhances the tenderness. This is a true entertaining selection, ideal for wowing a crowd.

**King-Cut Ribeye on the Bone**

With a flavor-enhancing bone in the middle, this ribeye is truly distinctive. These cuts are perfect for smoking after a pan sear, or try slow-roasting, quick-roasting or grilling over indirect heat. The three-pound cut might just break your plate, so plan on a platter and carve to serve.

Explore more steak cuts for summer celebrations at [OmahaSteaks.com](http://OmahaSteaks.com).

**Smoky Bacon, Chive and Shallot Butter**

Recipe courtesy of Omaha Steaks  
Cook time: 25 minutes  
Rest time: 30 minutes  
Servings: 10

4 ounces bacon, coarsely chopped  
2 sticks unsalted butter, divided  
1 small shallot, minced  
3 tablespoons chives, finely chopped  
1 teaspoon apple cider vinegar  
kosher salt, to taste  
freshly ground pepper, to taste

In small saute pan, cook bacon over medium heat, stirring occasionally until browned and crisp, about 8-10 minutes. Using slotted spoon, transfer bacon to small bowl.

Cut 1 stick butter into pieces. Add pieces to drippings and cook, stirring often, until butter foams and browns, about 5-8 minutes.

Strain mixture into medium bowl or bowl of stand mixer. Stir in minced shallot.

Allow bacon fat-butter mixture to cool 30 minutes, or until it reaches room temperature.

Add remaining stick butter to bacon fat mixture. Using hand mixer or stand mixer, beat until light and fluffy. Add chives, vinegar and reserved bacon. Season with salt and pepper, to taste.

Place butter mixture in refrigerator and allow to firm slightly. Butter can be made up to 3 days in advance. Remove from refrigerator 1 hour prior to serving to allow butter to soften.
