Halloween Safety Tips

Keep an eye out for your trick-or-treaters!

- Choose light-colored costumes made of flame-retardant materials.
- Avoid oversized shoes, which can make walking difficult, and wigs and billowy costumes, which can easily catch fire and burst into flames.
- Choose makeup over masks, and if your child must wear a mask, encourage them to take it off between trick-or-treat stops.
- Use props made of cardboard rather than wood or metal and insist your trick-or-treaters carry a flashlight.
- Establish boundaries and a curfew for your trick-or-treaters and enforce them.
- Accompany younger trick-or-treaters.
- Encourage your trick-or-treaters to go only to homes that are well lit and accept treats only at the door; they should never go inside a home.
- Check treats before allowing kids to eat them.
