Dear Colleton County Residents,

From country roads to sand dunes to city streets, we need you to help us count every person in Colleton County. Whether you see fruit trees, live oaks, cypress or palmettos from your window, we grow and change together as a community and you matter. Knowing basic facts about our community makes us stronger; accurate demographic information helps us face the challenges of today and plan for tomorrow.

Census results impact:

- Federal & Local Funding
- Boundaries of Congressional Legislative Districts
- Health Services
- Boundaries of Local Legislative Districts
- Education
- Business Decisions
- Public Infrastructure
- Job Creation
- Public Safety
- Store Locations
- Emergency Preparedness
- Industry Development

Participation rates in the 2010 Census in Colleton County were low. We know that 10 years makes a difference in a community and our lives. Let's make sure that we measure some of these changes. We are a community conscious of our civic duty and want to be counted.

Colleton County can be counted online at 2020census.gov and Colleton County can be counted by mail or phone

Talk to your neighbors and family about the importance of completing the 2020 Census. Encourage them to be good citizens, good neighbors and proud residents of Colleton County.
