COLDWELL BANKER
TODD LAND AGENCY

227 N. MEMORIAL AVE - WALTERBORO - \$89,000

Great investment opportunity. This would make an awesome studio apartment with office or business below. Would make great student apartments and is exceptionally located in the heart of downtown Walterboro. Built in the early 1900's the property was previously used as an office and florist downstairs and the second floor was used as living quarters. The property has been cleaned out and gutted with new windows installed throughout and new electrical wiring has been partially installed. The property is to be SOLD AS IS - WHERE IS. Don't miss this amazing opportunity!

A LEMON DELIGHT FOR ANY OCCASION

(Culinary.net) Sweets with enhanced fruit flavors are often among the best of the best when it comes to family treats. Fruit can add levels of sweet, tart or even citrus flavor to all kinds of recipes.

From grapefruit to berries and lemons, there are a variety of fruits that can take your delightful desserts to the next level of flavor.

For example, these Baked Lemon Donuts are a unique dessert that can double as a sweet, fruity breakfast. Delicious and packed with lemon zest, they are coated in a lemon-sugar topping for a burst of lemon in every bite.

To make this recipe, start with 2 cups of flour in a mixing bowl. Add sugar, baking powder and salt then whisk everything together.

Then add buttermilk, eggs, melted butter, lemon juice, vanilla extract and lemon zest to the dry ingredients. Stir until all ingredients are combined to form dough.

Use a piping bag or cut a corner off a re-sealable storage bag then pipe the dough into a donut pan and bake at 350 F for 9 minutes.

While the donuts are in the oven, add some lemon zest to a half cup of sugar and mix.

When they are perfectly baked, dip the tops of each one into some melted butter then into a lemon-sugar mixture.

The end result is fluffy little donuts that are filled with light and scrumptious lemon flavor and covered with lemon sugar for a hard-to-resist lemony treat.

Late night or early morning, these donuts can leave you – as well as anyone you choose to share them with – craving “just one more.”

SAY GOODBYE TO BASIC BRUNCH

(Culinary.net) The same old brunch menu week after week can become tiresome and dull. It's bland, boring and your tastebuds get used to the same flavors repeatedly.

It's time to add something new to the table with fresh ingredients and simple instructions to enhance your weekend spread.

Try this recipe for an Easy Brunch Quiche that is sure to have your senses swirling with every bite. This quiche is layered with many tastes and a variety of ingredients to give it crave-worthy flavor.

To create this dish, start with one package of broccoli and cheese then microwave it for 5 minutes until heated through.

Add 12 slices of chopped bacon to a skillet. While cooking, add 1/2 cup of green onions.

Cook for 2 minutes then add 1 cup of mushrooms to the skillet. Cook for 4 minutes and drain the grease.

In a small mixing bowl, combine four eggs and 1 cup of milk. Whisk together. Add egg mixture to the broccoli and cheese. Also add 1 cup of shredded cheese and stir the ingredients together.

In two separate pie shells, spoon in the bacon mixture then pour the egg and broccoli mixtures over the top. Sprinkle with a little more cheese then bake for 35-45 minutes at 350 F.

With a range of ingredients from broccoli to bacon, this quiche is a brunch hero. While baking, the cheese gets all melty, and with every bite the mushrooms add texture and earthy flavor. The ingredients combine together to make something warm, hearty and fresh.

Find more brunch recipes and cooking ideas at Culinary.net.

Easy Brunch Quiche

Serves: 12

- 1 package (10 ounces) frozen broccoli with cheese
- 12 slices bacon, chopped
- 1/2 cup green onions, sliced
- 1 cup mushrooms, sliced
- 4 eggs
- 1 cup milk
- 1 1/2 cups shredded cheese, divided
- 2 frozen deep dish pie shells (9 inches each)

Heat oven to 350 F.

In medium bowl, add broccoli and cheese contents from package. Microwave 5 minutes, or until cheese is saucy. Set aside.

In skillet, cook chopped bacon 4 minutes.

Add green onions; cook 2 minutes. Add mushrooms; cook 4 minutes, or until bacon is completely cooked and mushrooms are tender. Drain onto paper towel over plate. Set aside.

In medium bowl, whisk eggs and milk until combined. Add broccoli and cheese mixture.

Add 1 cup cheese. Stir to combine. Set aside. In pie shells, divide drained bacon mixture evenly. Divide broccoli mixture evenly and pour over bacon mixture. Sprinkle remaining cheese over both pies.

Bake 40 minutes.

Allow to cool at least 12 minutes before serving.

Note: To keep edges of crust from burning, place aluminum foil over pies for first 20 minutes of cook time. Remove after 20 minutes and allow to cook uncovered until completed.
