EMERGENCY BROADBAND BENEFIT

helps struggling households during the pandemic

The pandemic increased the need for broadband service while reducing income for many. To help, the Emergency Broadband Benefit provides eligible households with a monthly broadband discount of up to \$50.

A household may be eligible if one member qualifies for the Lifeline program, receives benefits under the free and reduced-price school lunch program or school breakfast program, received a Federal Pell Grant during the current award year, meets the eligibility criteria for a participating providers' existing low-income or COVID-19 program, or experienced a substantial loss of income since February 29, 2020.

For complete details, visit prtc.us/residential-internetebb
