9 things to bring to the beach

If you want to plan a fun-filled day at the beach, here are nine things you should bring.

1. Sunscreen. Bring a water-resistant variety with the right level of protection.
2. Water. Drink plenty of liquids throughout the day to prevent dehydration. Pack an insulated bottle and refill it often.
3. Sunglasses. Protect your eyes

from the sun's harmful rays with a good pair of shades.

4. Hat. Choose a wide-brim type that covers your face and neck.
5. Food. Pack a hearty lunch and nutritious snacks to keep up your energy.
6. Shoes. Bring a pair of sandals or water shoes to protect your feet from the elements.

7. Entertainment. Liven up your day with books and beach toys.

8. Hand sanitizer. Disinfect your hands regularly without having to walk to the bathroom.
 9. Shelter. Set up an umbrella or beach tent to provide shade when the beach isn't crowded.
- Lastly, make sure to bring towels for everyone in your group.

EMERGENCY BROADBAND BENEFIT

helps struggling households during the pandemic

The pandemic increased the need for broadband service while reducing income for many. To help, the Emergency Broadband Benefit provides eligible households with a monthly broadband discount of up to \$50.

A household may be eligible if one member qualifies for the Lifeline program, receives benefits under the free and reduced-price school lunch program or school breakfast program, received a Federal Pell Grant during the current award year, meets the eligibility criteria for a participating providers' existing low-income or COVID-19 program, or experienced a substantial loss of income since February 29, 2020.

4TH OF JULY

7 historic landmarks to visit on Independence Day

Independence Day is a great opportunity to learn more about America's rich history. Here are seven historic landmarks to visit this year.

1. INDEPENDENCE HALL, PHILADELPHIA

At least once in their lifetime, every American should celebrate the birth of the nation with a tour of the building where the Declaration of Independence was signed.

2. GRAND CANYON, ARIZONA

This national park is home to one of the country's greatest natural wonders and has nearly two billion years of geological history. From hiking to helicopter tours, there are plenty of ways to take in the awe-inspiring views.

3. LINCOLN MEMORIAL, WASHINGTON, D.C.

The impressive size of this monument can only truly be appreciated in person. While you're in the capital, spend the day exploring the museums, state buildings and statues that line the National Mall.

4. HOLLYWOOD SIGN, LOS ANGELES

This symbol of silver-screen

glamor can be glimpsed from the Hollywood Walk of Fame, but the best place for a picture-perfect view is Griffith Park.

5. KENNEDY SPACE CENTER, FLORIDA

Learn about the pioneers of NASA's early space programs and marvel at the rockets that launched Americans into orbit.

6. COLONIAL WILLIAMSBURG, VIRGINIA

Find out what life was like as an 18th-century settler while you explore the taverns and trade shops of the world's largest living history museum.

7. MOUNT RUSHMORE, SOUTH

DAKOTA

In the magnificent Black Hills National Forest, you'll come face to face with four presidents who were national leaders during some of the most important moments in American history.

Once the sun sets, many of these locations cap off their Fourth of July celebrations with a spectacular fireworks display.
