REGULAR SCHEDULED COUNTRY DANCE AT SUNDIAL

Hailing from Phoenix, Dillon and the High Desert Band is new on the scene combining the talents of five highly experienced musicians into a single country music act that loves and honors traditional country music while at the same time creating a sound that excites audiences of all ages. We like to call it industrial strength country. The band members have appeared with, or played and toured with, artists like Martina McBride, Brooks and Dunn, Waylon Jennings, J. David Sloan, Ferlin Husky, Eddie Rabbitt, Hoyt Axton, Buck Owens, Jerry Jeff Walker, and others. If you're looking for country music, Dillon and the High Desert Band is the choice you'll never regret.
