A Day of Dementia and Community Fair

Teepa Snow's Positive Approach to Care

Wednesday, March 29th | Check-in 8:00AM
8:15AM - 2:00PM Event & Community Fair

Watch and learn as we roleplay and discuss everyday difficult situations that can challenge our routines and patience when caring for someone living with Dementia.

Challenges we will address:

- "I want to go home!"
- "GET OUT....I don't know you!"
- "You stole my stuff!"
- "NO...I WILL NOT take a shower!"
- And many more distressing "behaviors" or "unmet needs".
