

VIBRANT WATERCOLOR PAINTING WORKSHOP

Learn to paint a rocky landscape of the Superstitions. Unleash beautiful colors while mastering values.

Have you ever wondered how to incorporate vibrant colors into your paintings? Watercolor does not have to be washy and pale. Learn the secrets to painting a beautiful, rocky landscape while using vibrant colors. Discover fun techniques for painting rocks and creating a dramatic landscape. "Value does the work, but color gets the credit." If you are intimidated by this subject, Cindy Welch will break it down and show you how to make it fun and easy in a no-pressure environment!

Go to Sun City West Art Club website and sign up for the Oct. 25 & 26th workshop.
