

Welcome to Everlasting Community Services - Arizona's leading Brain Injury Assisted living

Since 2006, Everlasting Community Services Assisted Living has provided resident-centered enrichment programs and exemplary care to those with traumatic brain injury, CVA/stroke, anoxia and more.

Rehabilitation, Compassion and Integrity are key and remain at the center of everything we do.

Everlasting residents enjoy

- Apartment-style rooms with storage and walk-in closets
- Private bathrooms with barrier-free showers in each apartment
- Beautiful grounds, a courtyard and new multi-purpose pavilion
- Transportation (appointments, activities, volunteer programs, dialysis, community re-integration- restaurants, shopping and events).
- 24-hour care by our compassionate, well-trained staff
- Call pendant
- Day programs (art therapy, crafts, music, pet therapy)
- Resident-appointed Resident Council
- 3 Chef-prepared meals daily and daily snacks
- Basic cable television
- Social re-integration and enrichment programs to maximize quality of life and social engagement
